Box Office Latest Sign In:

The Sign in Sidney Brustein's Window Lorraine Hansberry, 2012-02-22 From the award winning author of *A Raisin in the Sun* comes one of the most electrifying classic masterpieces of the American theater an unforgettable portrait of a man struggling with his individual fate in an age of racial and social injustice Rich and warm and funny beautifully written Los Angeles Times *The Sign in Sidney Brustein's Window* along with *A Raisin in the Sun* are milestones in the American theater remarkable not only for their historical value but for their continued ability to engage the imagination and the heart It is drama of such clarity that one may return to it again and again and I expect emerge as deeply moved and each time the more illumined Miss Hansberry I am convinced doesn't know how to create a character who isn't gloriously diverse illuminatingly contradictory heart breakingly alive A personal odyssey of discovery a confrontation with others in the process of which Brustein discovers himself from the Foreword by John Braine With an Introduction by Robert Nemiroff **Media and Digital Management** Eli M. Noam, 2019-01-23 Being a successful manager or entrepreneur in the media and digital sector requires creativity innovation and performance It also requires an understanding of the principles and tools of management Aimed at the college market this book is a short foundational volume on media management It summarizes the major dimensions of a business school curriculum and applies them to the entire media media tech and digital sector Its chapters cover in a jargonless non technical way the major functions of management First creating a media product the financing of projects and the management of technology HR production operations intellectual assets and government relations Second harvesting the product created market research marketing pricing and distribution And third the control loop media accounting and strategy planning In the process this book becomes an indispensable resource for those aiming for a career in the media and digital field both in startups and established organizations This book is designed to help those aiming to join the media and digital sector to become creative managers and managerial creatives It aims to make them more knowledgeable less blinded by hype more effective and more responsible Les Blancs: The Collected Last Plays Lorraine Hansberry, 1994-12-13 Here are Lorraine Hansberry's last three plays *Les Blancs* *The Drinking Gourd* and *What Use Are Flowers* representing the capstone of her achievement Includes a new preface by Jewell Gresham Nemiroff and a revised introduction by Margaret B Wilkerson **The New York State Exhibitor ...**, 1929 **Exhibitors Daily Review**, 1930 In the Court of Appeals of the State of New York, Travelers' Record, 1891 The Oxford Handbook of Chinese Cinemas Carlos Rojas, Eileen Chow, 2013-03-13 What does it mean for a cinematic work to be Chinese Does it refer specifically to a work's subject or does it also reflect considerations of language ethnicity nationality ideology or political orientation Such questions make any single approach to a vast field like Chinese cinema difficult at best Accordingly The Oxford Handbook of Chinese Cinemas situates the term more broadly among various different phases genres and distinct national configurations while taking care to address the consequences of grouping together so many disparate histories

under a single banner Offering both a platform for cross disciplinary dialogue and a mapping of Chinese cinema as an expanded field this Handbook presents thirty three essays by leading researchers and scholars intent on yielding new insights and new analyses using three different methodologies Chapters in Part I investigate the historical periodizations of the field through changing notions of national and political identity all the way from the industry s beginnings in the 1920s up to its current forms in contemporary Hong Kong Taiwan and the global diaspora Chapters in Part II feature studies centered on the field s taxonomical formalities including such topics as the role of the Chinese opera in technological innovation the political logic of the Maoist film and the psychoanalytic formula of the kung fu action film Finally in Part III focus is given to the structural elements that comprise a work s production distribution and reception to reveal the broader cinematic apparatuses within which these works are positioned Taken together the multipronged approach supports a wider platform beyond the geopolitical and linguistic limitations in existing scholarship Expertly edited to illustrate a representative set of up to date topics and approaches The Oxford Handbook of Chinese Cinemas provides a vital addition to a burgeoning field still in its formative stages
