playing Flash component that you'll be able to use time and time again. The inclusion of video support is the most noticeable and exciting feature in Flash MX. Viewers who have the tiny Flash plug-in installed can now see video material that would otherwise necessitate the lengthy downloads and clunky interfaces of other web video plug-ins. This book is the guide you need for this exciting new universe offering inspiration and technical guidance in equal measures. This book assumes no knowledge beyond an ability to work with Flash MX's interface and is not intended for those with substantial digital video experience. As such, this book does not assume that the reader has access to expensive video editing software. All you need for this book is access to Flash MX and some imagination.

The Movie Guide James Pallot, 1995. The Movie Guide is the most comprehensive in-depth film reference available in a single volume: the indispensable sourcebook for movie buffs and film scholars alike. Collected from the vast databases of CineBooks, the world's leading film authority, The Movie Guide provides key information not available in other single-volume guides. With longer, more detailed reviews and fascinating film facts, this easy-to-use alphabetized guide covers well over 3,000 of the most important films ever made, from accepted classics such as *Citizen Kane* and *Schindler's List* to cult hits and sleepers like *The Crying Game* and *Strictly Ballroom* to the most talked-about films of the year. Whether it's foreign films or *The Flintstones*, every movie fan will applaud The Movie Guide's in-depth coverage and special features. Comprehensive reviews with detailed plot synopses and probing critical insights, often supplemented by special anecdotal material not found in other film guides. Complete cast listings including major cast information up to ten main actors and the names of the characters played. Academy Awards, the special honors that each film has received. Not only the winners in every category but the nominees as well. Top creative credits including director, producer, cinematographer, editor, art director, music composer, costume designer, special effects, and more. Essential for the true fan who appreciates the collaborative nature of film. Production information, crucial film facts such as year of release, running time, distributor, production company, country of origin, and color code. Rating systems: not only the MPAA rating, essential for family viewing, but a special star ratings system based on the film's overall critical merit.
