Nhl Opening Night Tips:

The First Tip-Off: The Incredible Story of the Birth of the NBA Charley Rosen, 2008-10-05 Charley Rosen has undertaken the challenge of documenting the latest and greatest history of the game professionally and has done so to great success When I finished the book it seemed as if I had gone through another season injuries and all Rosen skillfully leads readers through the NBA s first steps along its journey toward what it has become today Phil Jackson from the Foreword Rosen a wonderful sportswriter had forgotten more basketball history than the best fans will ever know Booklist on No Blood No Foul Go back to a time when basketball players wore knee pads and itchy cotton jerseys When even the team s leaders were grateful for dry towels hot showers and 60 paychecks When winning was all that mattered In this vividly rendered and meticulously researched book endorsed with a Foreword by Los Angeles Lakers head coach Phil Jackson sportswriter Charley Rosen takes you on a rollicking tour of the NBA s first season Filled with rare archival photographs and exclusive interviews The First Tip Off brings to life a cast of unforgettable characters including Chuck Connors clown prince of the BAA and Jumping Joe Fulks ex Marine turned basketball s first superstar as Rosen deftly unfolds the dramatic events of that formative season It s enough to make you believe once again in the spirit of the sport One to Remember Ken Reid, 2020-09-22 From the national bestselling author of One Night Only come 39 new stories about what a big league goal can mean to an NHLer Including interviews with Billy Smith Chris Mason Damian Rhodes Christian Thomas and Slap Shot s Dave Hanson This follow up to Reid s national bestseller One Night Only Conversations with the NHL s One Game Wonders unearths the blood sweat tears and laughs of the journey to and from a single big league goal If you ve ever picked up a hockey stick chances are you ve dreamed of scoring in the National Hockey League Ken Reid interviews and profiles 39 men who did just that they bulged the twine in the best hockey league in the world but only once From minor league call ups to season long mainstays and even a Hall of Famer One to Remember answers all the questions What did that one tally mean Was it enough to satisfy a lifelong ambition or was it just the smallest taste of success Is the achievement still cherished years later Or is it bittersweet a distant reminder of what could have been **Canada's Other Game** Brian I. Daly, 2013-09-09 The story of Canada s other game from its invention by a Canadian to its current struggle for popularity Basketball the only major world sport undeniably invented by a Canadian has ironically failed to win Canadians hearts more than a century after its creation James Naismith s brainchild is a popular recreational pastime in his homeland but players with bigger dreams had better take their talents south of the border Canadian hoops has languished in the seemingly eternal shadow of hockey with its cannibalization of air time advertising dollars and corporate capital Faced with limited opportunities at home as many as 50 teenagers flock to U S prep schools and colleges every year to chase their dreams of college stardom and much less likely a shot at glory in the NBA Against all odds a skinny kid from Victoria named Steve Nash managed to reach the pinnacle of the sport with a whirling dervish style that earned him two MVP awards in the world s greatest league Today a new generation of Canadians stand

poised to follow in Nash's path. But will their success spark a renaissance back home? This book chronicles basketball's struggle to overcome its history as a poor cousin in a hockey mad nation.

Between the Pipes Randi Druzin, 2013-10-01 A Canadian sportswriter profiles twelve legendary NHL goaltenders in a book that reveals the changing face of professional hockey in the last half century. Publishers Weekly: Some NHL goalies are great and others are intriguing characters, but a select few are legends because they're both. Such is the case with the dozen players featured here. In *Between the Pipes*, veteran hockey writer Randi Druzin profiles these athletes, revealing the traits that make each one unique. Gump Worsley defied the laws of biomechanics by being nimble despite having a cabbage-shaped body. He was also one of the funniest men ever to start in goal. Glenn Hall used to wrestle with a trainer in the dressing room before games, and Jacques Plante refused to stay at a particular Toronto hotel. Despite their quirks, these twelve goalies are among the best the game has ever seen. With wit and verve, Druzin paints unforgettable portraits of these masked mavericks.

[Shoot First, Pass Later](#) Jeremy Roenick, Kevin Allen, 2015-11-01 In this honest, no-nonsense book by one of the greatest American stars the NHL has ever known, Jeremy Roenick showcases his skill as a hockey storyteller. In his one-of-a-kind way, Roenick shares stories from his 20-year career with the Chicago Blackhawks, Phoenix Coyotes, Philadelphia Flyers, Los Angeles Kings, and San Jose Sharks, providing an inside perspective on the oddities of life as a pro athlete. He explains why he openly considered the pros and cons of fighting a fan, opens up about tales of partying on road trips, and even how he became friends with former Vice President Dan Quayle. In one chapter, Roenick lends the pen to his wife Tracy to tell her side of the story. Nothing is held back as J.R. reveals his opinions about teammates, opponents, and the future of the game.

A House in the Sky Amanda Lindhout, Sara Corbett, 2013-09-03 The New York Times bestselling memoir of a woman whose curiosity led her to the world's most remote places and then into fifteen months of captivity. Exquisitely told, it's a young woman's harrowing coming-of-age story and an extraordinary narrative of forgiveness and spiritual triumph. The New York Times Book Review: As a child, Amanda Lindhout escaped a violent household by paging through issues of National Geographic and imagining herself visiting its exotic locales. At the age of nineteen, working as a cocktail waitress, she began saving her tips so she could travel the globe. Aspiring to understand the world and live a significant life, she backpacked through Latin America, Laos, Bangladesh, and India, and emboldened by each adventure, went on to Sudan, Syria, and Pakistan. In war-ridden Afghanistan and Iraq, she carved out a fledgling career as a television reporter. And then, in August 2008, she traveled to Somalia, the most dangerous place on earth. On her fourth day, she was abducted by a group of masked men along a dusty road. Held hostage for 460 days, Amanda survives on memory, every lush detail of the world she experienced in her life before captivity, and on strategy, fortitude, and hope. When she is most desperate, she visits a house in the sky, high above the woman kept in chains in the dark. Vivid and suspenseful, as artfully written as the finest novel, *A House in the Sky* is a searingly un sentimental account. Ultimately, it is compassion for her naive younger self, for her kidnappers, that becomes the key to Lindhout's survival. O The Oprah Magazine
