PC AI, 2000 **Social Media Strategy**

Keith A. Quesenberry, 2024-02-12

The fourth edition of *Social Media Strategy* is an essential step-by-step blueprint for innovating, changing, supporting traditional marketing, advertising, and PR efforts, and leveraging consumer influence in the digital world. With a completely integrated marketing, advertising, and public relations framework, Keith Quesenberry's up-to-date textbook goes beyond tips and tricks to systematically explore the unique qualities, challenges, and opportunities of social media. Students learn core principles and proven processes to build unique social media plans that integrate paid, earned, shared, and owned media based on business objectives, target audiences, big ideas, and social media categories. This classroom- and industry-proven text has been updated with new infographics and concise reading sections with frequent tables, checklists, and templates. New and updated case studies in each chapter engage students in contemporary examples from small businesses, large corporations, and non-profit organizations. Focusing on cross-disciplinary strategic planning, content creation, and reporting, this accessible and highly practical text is an essential guide for students and professionals alike.

Features: Each chapter includes a preview, chapter objectives, case studies, pull quotes, video links, bulleted lists, infographics, tables, and templates. Chapters end with a chapter checklist, key terms and definitions, and Experiential Learning sections with questions, exercises, and Discover and Explore.
