E-commerce Kenneth C. Laudon, Carol Guercio Traver, 2007. In today's evolving business environment, E-commerce business technology society introduces students to the concepts and practice of electronic commerce. This book emphasizes the three major forces behind e-commerce: business fundamentals, technology opportunities, and social issues. In every chapter, these three themes come alive with the discussion of e-commerce concepts in the areas of economics, marketing, and information technology, and with the presentation of real-world e-commerce business cases and stories. The result is a coherent framework for organizing a complex topic which promotes a clear understanding of how e-commerce is evolving.
