*Military Review*, 2014     **Knowledge, Technology Transfer and Foresight** A. Inzelt, R. Coenen, Reinhard Coenen, 1996-09-30 Proceedings of the NATO Advanced Research Workshop Budapest Hungary October 12-14 1995     **OSU Research Review**, 1964     **Space Manufacturing**, 1995     **At a Loss for Words** Carol Off, 2024-09-03 AN INSTANT 1 NATIONAL BESTSELLER A HILL TIMES BEST BOOK 2024 Award winning author and broadcast journalist Carol Off digs deep into six words whose meanings have been distorted and weaponized in recent years including democracy, freedom, and truth and asks whether we can reclaim their value. As co-host of CBC Radio's *As It Happens*, Carol Off spent a decade and a half talking to people in the news five nights a week. On top of her stellar writing and reporting career, those 25,000 interviews have given her a unique vantage point on the crucial subject at the heart of her new book: how in these polarizing years words that used to define civil society and social justice are being put to work for a completely different political agenda. Or they are being bleached of their meaning as the values they represent are mocked and distorted. As Off writes, "If our language doesn't have a means to express an idea, then the idea itself is gone; even the range of thought is diminished." And as she argues, that's a dangerous loss. In six wide-ranging chapters, Off explores the mutating meanings and the changing political impact of her six chosen words: freedom, democracy, truth, woke, choice, and taxes, unpacking the forces from right and left that have altered them beyond recognition. She also shows what happens when we lose our shared political vocabulary: we stop being able to hear each other, let alone speak with each other in meaningful ways. This means we stop being able to reckon with the complexity of the crises we face, leaving us prey to conspiracy theories, autocrats, and the machinations of greed. *At a Loss for Words* is both an elegy and a call to arms.
