Reasons Why the King James David W. Daniels, 2017-12 Many Christians claim to have faith in a Bible that doesn't exist That's right they say they believe the original autographs were without error but they don't have them We need a Bible we can trust that we can actually hold in our hands Here are 51 reasons why you can trust the King James Be ready to give an answer More Our world is split between two camps those with faith and those with doubt Right now those with doubt are outnumbering those with faith But God only blesses faith It's the Christian faith not the Christian doubt Are there reasons to trust that God kept His promise to preserve His own words Yes There are many This book is a small collection of those People have been finding not only what faith looks like but have actually made the move and left the doubting Bibles with their contradictory doctrines and come to the King James There they found a consistent message consistent doctrine and a consistent faith So they can hold the Bible up in their hands and say Thus saith the Lord This is the words of God Trusting God's Words Can Change Your Church The result An increase in holiness faith soul winning Christian growth and confidence in the Scriptures Read 51 Reasons today
