Church History Plain Language Fourth

Robin Sampson

Church History Plain Language Fourth:

Church History in Plain Language Bruce Shelley, 2013-12-10 Church History in Plain Language makes church history clear, memorable, and accessible to every reader. Dr. Bruce Shelley makes church history come alive in this classic book that has become not only the first choice of many laypeople and church leaders but the standard text in many college classrooms. Church History in Plain Language treats history as the story of people, their motivations, the issues they grapple with, the decisions they make, and the result is that history reads like a story, almost as dramatic and moving as a novel. This fourth edition, revised by R. L. Hatchett, brings the story of Christianity into the twenty-first century with detailed information on Theology of the early church and Reformation, Gnosticism and its ongoing relevance, The rapid global extension and transformation of Christianity since 1900, The decline in traditional mainline denominations, The influence of technology on the spread of the gospel, How Christianity intersects with other religions in countries all over the world. Church History in Plain Language makes history easy to follow and retain by dividing the Christian story into the great ages of the church. Its clarity, organization, and historical accuracy are part of what make this book a go-to resource for today's readers. **Beyond Church and Parachurch** Angie Ward, 2025-05-13 Discovering New Dimensions in Faith-Based Community Work. A welcome and needed book addressing the current tensions and opportunities. Dr. Ward's foundational book points us to a way forward. I am enthused at what this book can do to lead us as church leaders and agency leaders to a new synergy. Jerry E. White, international president emeritus of The Navigators, a Christian parachurch organization. In a world where the church's relevance is often questioned, Angie Ward offers a compelling blueprint for a unified ecclesial future in *Beyond Church and Parachurch*. *Beyond Church and Parachurch* is not just a historical and theological exploration; it's a roadmap for rethinking the very essence of Christian ministry. Whether you're a pastor, mission leader, or nonprofit executive, you will be challenged to transcend conventional boundaries and discover the full spectrum of the church's potential. **Holistic Understanding** Develops a comprehensive view that integrates both traditional and emerging forms of ministry. **Innovative Strategies** *Beyond Church and Parachurch* presents forward-thinking approaches to facilitate collaboration between churches and parachurch organizations. **Inclusive Leadership** Emphasizes the importance of diverse leadership in fostering a more inclusive community. **Practical Applications** Offers actionable insights and case studies to apply the concepts in real-world contexts. **Future-Oriented** Focuses on long-term vision and sustainable practices for impactful ministry work. Dive into a fresh understanding of the church in all its forms, be it campus ministries, mission agencies, or church planting networks. Ward's vision dismantles the silos that fragment evangelical efforts, urging us to view the church as an interconnected ecosystem of apostolic networks. This paradigm shift empowers leaders to maximize kingdom impact, fostering cooperation and collaboration across organizations. With practical insights and visionary guidance, *Beyond Church and Parachurch* equips Christian leaders to serve a world in need with renewed purpose and unity. Transform your ministry approach and join a movement that redefines

what it means to be the church *Church History* Dr. Justo L. Gonzalez, 2010-09-01 One of the chief difficulties in studying the history of Christianity is the lack of prior exposure to the subject that students often bring with them Struggling to keep up with the large numbers of names dates and places presented to them it is easy for students to lose sight of the big picture the broad sweep of movement and change that instructors most wish to communicate Justo Gonzalez has written this book to help students gain just such a quick and basic grasp of the main periods and issues in the history of Christianity Drawing upon his own extensive experience and that of others he contends that having been introduced to the essentials of church history in a brief and accessible form students are far better able to understand and appreciate what they encounter in more detailed lectures and reading Gonzalez provides a comprehensive opening chapter that summarizes major issues and concerns of each of the principal eras of church history Subsequent chapters focus on the ancient church the Christian empire the Middle Ages the Reformation the seventeenth through nineteenth centuries and the twentieth century and the end of modernity

Discovering the Truth About Discipleship - Volume One Douglas Bennett, **Epic: An Around-the-World Journey through Christian History** Tim Challies, 2020-03-31 33 fascinating objects 1 amazing story Join author and pastor Tim Challies as he embarks on a three year journey spanning multiple continents and some of the most unusual places in the world Tim introduces you to thirty three carefully selected objects that help you understand the long and complicated history of Christianity in a unique and creative way Beginning with Jesus and the early church Challies looks at The importance of graffiti on an ancient jail cell The creedal significance of a carving on a museum statue The enduring importance of ancient manuscripts and books And much more Along the way you ll discover the story you re already a part of Epic features An epic journey 24 countries 6 continents 75 flights 80 museums Beautiful full color book design featuring the objects and Tim s journey The complete experience a 10 episode documentary is also available taking you on location and providing an immersive experience for understanding the history of Christianity Together we will listen to these voices of the past tell us the epic story of what God has done and continues to do in our world today Tim Challies

A Matter of Conviction Jerry Sutton, 2008 A Matter of Conviction chronicles the history of the ERLC against the backdrop of culture war challenges that drive the larger movement of evangelical activism from the organization s earliest days to its current activities under the leadership of conservative values champion Dr Richard Land Author and renowned pastor Jerry Sutton anchors his writing in the biblical mandate for cultural engagement a biblical understanding of the relationship between church and society and the rise of Baptist influence in the nineteenth and twentieth centuries *An*
