**Abstract:** Your paper should include a short abstract of about 100–150 words giving a brief account of the main points of the paper. Please use abstract style using Times New Roman 10 point.

**Keywords:** Please list main key words.

## 1. Introduction - Main headings should use Heading 1 style

International journal of Science, Technology, management and education research paper template provides defined styles in order to ensure that the Ijster publications will have a consistent quality. These styles are easy to follow and you can either type your content first and then apply the style or click on the appropriate style prior to typing each section. The first paragraph in each section should use paragraph 1 style.

The title of your paper must use the title style. Please ensure that your title is suitable for publication – it needs to be short and explanatory to ensure that it is interesting to readers. Use mixed case in paper title and headings, i.e. capitalise the first letter of each word with the exception of prepositions, articles and other 'form-words', e.g.: "the", "about" and "in".

**As all papers will be double blind peer reviewed, please ensure that no contact details are provided within the text or Properties of the initial paper submitted. All contact details will be submitted online as part of the Registration and Submission Process.**

At the final paper stage, the authors' names are included using the Author Name style – first name (mixed case) and surname (capitals)

Contact details are laid out over two lines using the author address style. The first line presents Organisation, Address, City, Postcode, and Country. The second line presents Tel: + countrycode localcode number, Email:

Under the contact details, the abstract section uses the Abstract style. This abstract should provide the reader with a short overview of the main points of your paper. It should not exceed 150 words and should use Times New Roman 10 point.

Each main heading of your paper should use Heading 1 style.

The first paragraph in each section should use paragraph 1 style. Each subsequent paragraph should use paragraph 2 style and use the tab for the first sentence within that paragraph.

*1.1 – Sub headings should use heading 2 style*

Paragraph 1 style

Paragraph 2 style and use the tab for the first sentence within that paragraph.

All tables and figures should be numbered consecutively (e.g. Table 1, Table 2 or Figure 1, Figure 2 etc.) and not by reference to section numbers. Table captions should be placed above the table while figure captions below the figure (both use caption style). Place tables and figures as close as possible to where they are mentioned in the text and not at the

### **Research Papers Dreams Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Research Papers Dreams has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Research Papers Dreams has opened up a world of possibilities. Downloading Research Papers Dreams provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Research Papers Dreams has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Research Papers Dreams. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Research Papers Dreams. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Research Papers Dreams, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Research Papers Dreams has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
