Robert Lyndon:

Imperial Fire Robert Lyndon, 2014-03-11 AN EPIC HISTORICAL QUEST SET AT THE DAWN OF THE AGE OF GUNPOWDER In the world after 1066 vast empires clamor for dominance From the Normans in the north to the Byzantines in the south battles rage across Europe and around its fringes But in the east an empire still mightier stirs wielding a weapon to rule the world gunpowder Seeking the destructive might of this fire drug the mercenary Vallon a man made of grit and earth as much as of flesh and blood is sent by the defeated Byzantine emperor on a secret and near impossible quest to the far off land of Song Dynasty China Alongside a squadron of highly trained soldiers Vallon is accompanied by the learned physician Hero hermit like tracker Wayland and a young ego driven upstart named Lucas All have their own reasons for going all have secrets It s a quest that will lead them across treacherous seas and arid desserts and into an uncharted land of mountains and plains beyond the Silk Road Many will die but the rewards could be extraordinary *LBJ: The Mastermind of the JFK Assassination* Phillip F. Nelson, 2013-07 Lays out evidence for the theory that Lyndon Baines Johnson played an active role in plotting the death of John F Kennedy *Camera*, 1918 *Nixon in China* Nicole L. Anslover, 2025-09-30 This book reassesses Richard Nixon s historic visit as the first American president ever to visit mainland China in 1972 personalizing the actors involved and exploring the event s lasting impact Nixon s visit signalled a dramatic change not only in U S China relations but in the overall trajectory of America s Cold War foreign policy With this visit Nixon set in motion a new phase of the relationship between the United States and the People s Republic of China which is still evolving today The volume places this important moment in its proper historical context by examining the various intriguing actors involved and analyzing the lasting impact of this trip on U S foreign relations It examines different types of diplomacy Nixon and Kissinger s unique style of implementing foreign policy and how the trip impacted the U S its Cold War allies and China With its primary focus on the American side of the story this book also importantly examines the Chinese goals preparations and apprehensions This book will be of interest to students and scholars of U S diplomatic history the Cold War and American political history more generally **Gazetteer of Caledonia and Essex Counties, VT., 1764-1887** Hamilton Child, 1887 **Times of Heroism, Times of Terror** Martin Thornton, 2005-05-30 Understanding foreign policy has become more essential than ever in today s integrated world How the United States acts as a nation has far reaching consequences especially in times of war To better understand America s stance on foreign policy today it is helpful to analyze how U S presidents and leaders have acted in the past particularly throughout the 20th century Thornton argues that descriptions or the classification of presidents have been misleading since presidents are often reacting to unique foreign policy crises and at times may have through good diplomacy forestalled serious crises from developing Basing his insights on numerous first hand sources such as handwritten notes and memos taken during meetings of heads of state he portrays the presidents as very human individuals struggling with difficult questions and the responsibilities only men of their position have to deal with Topics examined in the book include but are

not limited to Events leading up to the Cold War 1946 1952 Truman and Containment 1953 1960 Eisenhower and Military Challenge 1961 1963 JFK and Foreign Policy Leadership 1963 1968 Johnson and War Home and Abroad 1969 1974 Nixon Kissinger and the Search for Peace 1974 1976 Gerald R Ford 1977 1980 Jimmy Carter 1981 1988 Ronald Reagan 1989 1991 George H Bush and the End of the War This text stands out due to its readability and its comprehensiveness The average reader will have no problem getting a clear grasp of the topic at hand The college professor of U S or international history political science international studies or even ethicist who wishes to engage students in their reading assignments would do well to pick up this text

Isolation and Engagement William Waltman Newmann,2022-07-21 Personal presidential style profoundly affects China policy both in and outside the administration The Badger ,1919 *Host Bibliographic Record for Boundwith Item Barcode 30112075860889 and Others* ,1922 **Annual Reports of the Officers and Departments** Attleboro (Mass.),1923 **Calendar** University of Sydney,1916 *Book of the centenary (Masonic female orphan school of Ireland, Dublin) including the official catalogue* Thomas Stuart (freemason.),1892 Catalogue University of Wisconsin,1922 Some nos include Announcement of courses **Annual Register** University of Chicago,1925 **The Dublin University Calendar** Trinity College (Dublin, Ireland),1917 *Journal of the Society of Dyers and Colourists* Society of Dyers and Colourists,1929 For all interested in the use or manufacture of colours and in calico printing bleaching etc **You Can't Catch Us** Shannon McKenna Schmidt,2026-03-03 1 682 miles The First Lady of the United States One incredible journey At a time when political candidates wives were expected to be seen and not heard Lady Bird Johnson made history as the first presidential spouse to take a leading role on the campaign trail Her mission to aid her husband Lyndon B Johnson in his reelection bid Proud of her southern heritage and of what her husband had done for civil rights Lady Bird undertook an eight state whistle stop tour in October 1964 both to garner votes for Lyndon and to help ease the animosity that arose from the signing of the Civil Rights Act three months earlier The Lady Bird Special a custom nineteen car train forged headlong into the powder keg of Southern politics traveling from Washington DC to New Orleans and making forty seven stops in only four days Despite the potential dangers the First Lady aided by a team of pioneering women pressed forward making speeches shaking hands and breaking ground You Can t Catch Us isn t simply the story of an election campaign It s the story of a women led operation and an appeal for understanding and civility Lady Bird Johnson s monumental journey expanded the role of women in politics and progressed the fight for women s rights a fight we still continue today **The Congregational Year-book** ,1922 *New South Wales Government Gazette* ,1918 Looking Back at LBJ Mitchell B. Lerner,2005 Lyndon Baines Johnson ascended to the presidency in the wake of tragedy to lead the United States through one of its most violent and divisive decades His troubled presidency was marked by endless controversies over civil rights the Vietnam War foreign policy and law and order issues among others Nearly four decades later it s now possible to reexamine those controversies to illuminate as never before the achievements and failures of one of

the nation's most misunderstood presidents Drawing upon a wealth of new sources including recently released phone conversations these authors shine a bright and probing light on LBJ's beleaguered White House tenure Collectively they reinforce the image of Johnson as a highly complex president whose very real achievements have been overshadowed by character flaws and events well beyond his control Four chapters focus on LBJ's foreign policies including a positive appraisal of his handling of the 1964 Panama Crisis but less favorable assessments regarding the downhill slide into Vietnam the Six Day War and policies toward the communist bloc Yet the authors generally depict a president who contrary to conventional views did not allow his domestic agenda to overshadow his efforts as chief architect of foreign policy Five other chapters focus on aspects of LBJ's domestic policies that have been largely neglected women's rights Native Americans agriculture civil disorder and fiscal policy Whether responding to urban riots or balancing different versions of the 1964 Farm Bill Johnson emerges as a president who never lost sight of the political ramifications of his actions and whose legacy is often more complicated than is usually recognized All of these writings attest to the complexities of Lyndon Johnson a larger than life leader whose guiding principles can't always be reduced to the catch phrases he himself and others have employed The new perspectives and revelations they provide point students scholars and presidential buffs alike toward a much more enlightened view of this fascinating figure
