[Plant Propagation by Tissue Culture](#) Edwin F. George,Michael A. Hall,Geert-Jan De Klerk,2007-10-24 For researchers and students George s books have become the standard works on in vitro plant propagation For this the third edition of the classic work authors with specialist knowledge have been brought on board to cover the hugely expanded number of topics in the subject area Scientific knowledge has

expanded rapidly since the second edition and it would now be a daunting task for a single author to cover all aspects adequately. However, this edition still maintains the integration that was characteristic of the previous editions. The first volume of the new edition highlights the scientific background of in vitro propagation. The second volume covers the practice of micropropagation and describes its various applications.

**Anchor India 2024** Infokerala Communications Pvt Ltd, 2024-03-01 India, bounded by the majestic Himalayan ranges in the North and edged by an endless stretch of golden beaches, is the land of hoary tradition and cultural diversity. Vivid kaleidoscope of landscapes, glorious historical sites and royal cities, misty mountain hideaways, colourful people, rich civilizations and festivities, craft India. Incredible. The delightful South India, where Indian heritage is more intact, has much to offer to this ancient tradition. Humankind's medical odysseys in search of destinations of heavenly healing have a long history. In the modern age, man wanted to move around as he wanted to see places which had been alien to him hitherto. India is one of the prime places to fulfill the natural instinct of man to move from one place to another and get unperturbed. Now he is exploring places not only for satiating his thirst for seeing newer lands, alone, but people travel across the globe in search of health destinations as well. With the most sought-after professionals and excellent network of hospitals, India is becoming the very hot medical tourism destination in the world. As in the magnificent past, nowadays India is extremely renowned for its coir, coconut, marine resources, tea and coffee. The financial institutions are playing an important role in the growth of the country. This great historical soil turns out to be an abode of investment. The prime place is specified to real estate. Real estate is akin to a gold mine. In times of misery, it will yield gold. And we are equipped for you with some illuminations which enhance her significance in the world map. Anchor India depicts the most vibrant Indian scenario of medical tourism, banks, coir, coconut, coffee, tea, marine resources, space making and space makers, along with the amazing tourism maturity of the country.
