Sacred Scars:

Sacred Scars Dr. Michelle Bengtson,2024-06-25 We all endure trials pain and hardship in this life The enemy often uses those experiences to convince us that our brokenness disqualifies us from ever being used by God again that we can no longer be a testimony because of our emotional or physical scars The truth is your past pain and brokenness actually serve as preparation for what God wants to do in you and through you if you will but surrender to and trust in him In Sacred Scars neuropsychologist and fellow sufferer Dr Michelle Bengtson helps you understand suffering through a biblical perspective discover how the trials of your life serve a purpose reflect on the healing that God has accomplished comfort others with the comfort God has given you Just as Jesus s scars didn t disappear after his resurrection our scars tell our story and lend credence to our testimony of the love and power of God If you are ready to turn your past pain into present comfort and future hope let Dr Bengtson be your compassionate guide

Servants of God, Slaves of the Church Lisa Kaaren Bailey,2026-03-15 In *Servants of God Slaves of the Church* Lisa Kaaren Bailey uncovers the surprising intimacy between sacred devotion and coerced labor in early medieval Europe From queens who scrubbed monastery floors to enslaved women forced into lifelong service acts of humility and acts of subjugation often looked the same and were interpreted through the same religious lens Drawing from sermons letters miracle stories and hagiographies Bailey shows how metaphors of service shaped not only elite piety but also the lived experience of those at the very bottom of

the social order This is a story of lives that were often absent from the historical record those who lit church lamps laundered liturgical linens and sustained Christian worship through their unseen labor Bailey weaves together theology cultural history and feminist historiography to trace how Christian ideas about virtue sin and the will both justified unfreedom and offered tools to contest it Her use of critical fabulation animates the archive without fictionalizing it allowing glimpses of agency in places where it was rarely recorded By placing the metaphor of service alongside its social reality *Servants of God: Slaves of the Church* reshapes how we think about labor power and religious meaning in the centuries after Rome A deeply informed work of both historical scholarship and moral insight this book gives voice to the voiceless and demands a reconsideration of what it meant to serve God *The Carceral State, Forensic Psychology, and Black Resistance* Evan Auguste, 2025-07-14 This volume outlines the theoretical and ethical commitments for forensic psychologists in the struggle for Black liberation and details areas of focus for practice and research It aims to highlight how Black forensic psychologists have historically engaged in these areas through the lens of Black psychology The chapters that follow extensively cover the often overlooked relationship between forensic psychology and Black liberation including chapters on Black forensic psychologists whose work contributed to political movements The psychologist's role in supporting reparations movements The importance of community healing collectives as alternatives to incarceration and policing Recommendations for introducing Black psychology into forensic practice Examining the role of forensic psychology within America's racialized carceral systems this book critically analyzes how psychological research and practice influence legal and material outcomes for Black individuals Grounded in historical context and contemporary case studies it offers essential insights for practitioners activists and scholars committed to challenging the systemic harms that disproportionately affect Black communities within the most incarcerated nation in the world *God of the Gaps* Christie Love, 2021-01-05 This book is essential carry on luggage for traveling through hard times It will bring you comfort challenge you and give you inspiration Traci Brown author of *Persuasion Point* Struggle is the great equalizer At one time or another every person will experience some type of challenge that will leave them lingering between a struggle they are facing and a solution that they are waiting on This in between place is called the gap Gaps do not discriminate People from all ages income brackets genders positions of power levels of education backgrounds and ethnicities are going to travel through the gaps at some point These seasons of struggle can either push individuals away from God or draw them closer to Him *God of the Gaps* challenges people with and without a prior link to God's heart to recognize His presence in their gaps and His desire to connect with them during these times of questions doubts hurts and emotions *God of the Gaps* pulls the rug from beneath certain Christian platitudes that often plague works about suffering and leave the reader to wrestle as they try to find God in their gaps a must read for anyone who is struggling to find the light of God in dark places Ally Henny Vice President The Witness A Black Christian Collective I am grateful to Christie Love for sharing her gap lessons with courage vulnerability and a good dose of scriptural insight For all
