A Madness Of Angels:

A Madness of Angels Kate Griffin, 2009-03-21 Enter a London where rival sorcerers hidden in plain sight battle for the soul of the city in this urban fantasy series debut by an award winning author Neverwhere for the digital age One of the best books you ll read this year SFX For Matthew Swift today is not like any other day It is the day on which he returns to life Two years after his untimely death Matthew Swift finds himself breathing once again lying in bed in his London home Except that it s no longer his bed or his home And the last time this sorcerer was seen alive an unknown assailant had gouged a hole so deep in his chest that his death was irrefutable despite his body never being found He doesn t have long to mull over his resurrection though or the changes that have been wrought upon him His only concern now is vengeance Vengeance upon his monstrous killer and vengeance upon the one who brought him back Griffin s lush prose and chatty dialogue modeled after the best work of other modern British fantasy writers create a wonderful ambience Publishers Weekly Webb s urban fantasy is authentically gritty down to the detailed descriptions of restaurants and street corners She writes with assurance and polish and her grasp of modern mythology the magic and the poetry inherent in contemporary life is strong A very promising start and great things seem likely to follow Kirkus Reviews Lots of writers can do London well and lots of writers can do magic well But London s magic has seldom if ever been brought to the page so electrifyingly and so convincingly as it is here Mike Carey

exposition but through story ranging from the grandeur of myth to charming anecdotes and dark riddles At the Delphic temple of Apollo for nearly a thousand years a priestess in trance listened to the urgent inquiries of questioners from all parts of the ancient world and responded on behalf of the god From this sacred conversation there resulted both a set of enduring values and a collection of tales that relate the encounter with the divine and its consequences in the lives of questioners In addition to a generous selection of these wisdom tales the book also contains chapters on the priestess and ancient concepts of trance mediumship on the Delphic commandment Know thyself and on the still surviving Chief State Oracle of Tibet which offers a living parallel to the ancient Delphic oracle
