## **Cash App Same Day Delivery Open Now:**

*Introduction to Information Systems* R. Kelly Rainer, Brad Prince, 2021-12-06 *Introduction to Information Systems* 9th Edition teaches undergraduate business majors how to use information technology to master their current or future jobs. Students develop a working understanding of information systems and information technology and learn how to apply concepts to successfully facilitate business processes. This course demonstrates that IT is the backbone of any business whether a student is majoring in accounting, finance, marketing, human resources, production, operations, management, or MIS.

*PRACTICAL MONEY ADVICE FOR YOUNG MEN 2.0* Malik McCotter-Jordan, 2021-12-25 I'm not suggesting that you fire your boss or quit your job. In fact, I advise you to keep your job. In this book, I have a job that's called having more than one stream of income, and I talk about that in this book. This is definitely not a BS Tony Robbins personal finance book with over 680 pages about compound interest, him shamelessly promoting financial firms that he has an ownership stake in, and saving 10% to 20% of your income. This is a raw and real book written by a guy who is only a few steps ahead of you. That's it, I'm not a guru. This is not a scam. I put my heart and soul into making this. I wrote this book as if it was for the 18-year-old me. Anyone who leaves a review saying that this book lacks realistic, actionable advice is just plain wrong. I even did what most of these personal finance authors don't have the guts to do: I talk about my personal life and the mistakes I made that cost me thousands of dollars. That's why this genre is called personal finance, right? I get really personal. Some might say it's too personal. If you're a young man who is tired of being broke, living paycheck to paycheck, not owning any assets, being clueless about taxes, and not being able to get ahead in the United States, then this is the book for you. I started off as a poor black boy in a small town in Alabama, on section 8. I currently have a 6-figure net worth. If I can do it, you can too. Buy this book today.

The Law Reports, 1898      **Not Like the Others: The Prophecy** Travis Simmons, 2024-05-06 Murder. Something that happens an average of 63 times a day in the United States. Hidden within those deaths are unsolved cases fitting a particular profile: Bodies with severe scarring and drained of blood. Killings of this nature have become cold cases as there has been no evidence left behind. Detective Maxwell Thorn specializes in these cases and has now brought said cases to close in four major cities in the last few years. Having just finished in Atlanta a string of murders and missing now plagues Boston. Detective Thorn is called to Boston after his most recent victory, but not before a new wrinkle develops on his way out of Atlanta. Unknown to the killers, Detective Thorn is a hunter. Not just of criminals, but one of the most dangerous predators of humankind. The killer he searches for are unlike most. His predators were created and have been discussed for over 600 years. There is more to his cases and hunting than meets the eye. Max is the last of his kind and will find a prophecy unknown to him hangs over his head. Max will soon face his greatest challenge and discover who has orchestrated the string of murders that have led him to his newest destination is responsible for his previous stops. Hunters have come and gone through the centuries. But Max will uncover his destiny. Will Max be up to this monumental confrontation, or will he fall like all before him?

About the Author Born in California but raised in a small town in Alabama Travis Simmons has had a lifelong need and desire to create Beginning with new superheroes and wrestlers of his creation to poetry short stories and even wrestling booking Travis has an affinity for vampires and the supernatural He has enjoyed those tales and stories since childhood He takes that love and puts it into this story one that has had several iterations over the last 25 years Travis has brought them all together for Not Like the Others When not creating the author enjoys spending time with his wife and three children as well as their dogs family and friends Along with his love for creating Travis follows professional wrestling MMA football and baseball and never misses a big movie
