anthology cannot be brought down to the present day and therefore the first half of it contains far finer poetry than the second But it may be objected that among Ballads no such thing as chronological order is possible and that if it were I have not attempted it Why then did I not boldly mix up all my flowers in a heap and afterwards sit down to re arrange them disregarding history studious only that one flower should set off another and the whole wreath be a well balanced circle I will try to answer this premising only that tact is nine tenths of the anthologist s business It is very true that the Ballads have no chronology that no one can say when Hynd Horn was composed or assert with proof that Clerk Saunders is younger than Childe Maurice or Tam Lin older than Sir Patrick Spens though that all five are older than The Children in the Wood no one with an ounce of literary sense would deny Even of our few certainties we have to remember that where almost everything depends on oral tradition it may easily happen in fact happens not seldom that a really old ballad of the best period has reached us late and in a corrupted form its original gold overlaid with silver and bronze It is true moreover that these pages declining an impossible order decline also the pretence to it I have arranged the ballads in seven books of which the first deals with Magic the Seely Court and the supernatural the second and on the whole the most beautiful with stories of absolute romance such as Childe Waters Lord Ingram Young Andrew the third with romance shading off into real history as in Sir Patrick Spens Hugh of Lincoln The Queen s Marie the fourth with Early Carols and ballads of Holy Writ This closes Part I The fifth book is all of the Greenwood and Robin Hood the sixth follows history down from Chevy Chase and the Homeric deeds of Douglas and Percy to less renowned if not less spirited Border feuds while the seventh and last book presents the Ballad invarious aspects of false beginning and decline The Old Cloak which deserved a long line of children but in fact has had few Barbara Allen late but exquisite Lord Lovel which is silly sooth and The Suffolk Tragedy wherein a magnificent ballad theme is ambled to market like so much butter My hope is that this arrangement while it avoids mixing up things that differ and keeps consorted those the Robin Hood Ballads for example which naturally go together does in round numbers give a view of the Ballad in its perfection and decline and that so my book may be useful to the student as well as to the disinterested lover of poetry for whom it is chiefly intended **Wrong Address, Right Package** Bonnie R.

Paulson,2025-08-01 I m Alex a tough as nails motorcycle repo specialist who can handle any angry customer except apparently one mysterious artist named Alexander Glass His packages keep showing up at my house and I m getting tired of playing unwilling mail service So I do what any reasonable woman would do I track him down Big mistake Xander Glass is brooding talented and completely unimpressed by my arrival on his doorstep with an armload of his misdelivered art supplies He s also devastatingly attractive in that tortured artist way that should come with a warning label Even bigger mistake I can t seem to stay away What starts as returning packages turns into fixing his equipment which turns into watching him work which turns into feelings I definitely didn t sign up for But every time we get close his sophisticated ex wife appears to remind me that girls like me don t belong in his refined art world She s probably right I mean what does a motorcycle

mechanic know about gallery openings and Italian art residencies But when Xander gets the opportunity of a lifetime six months studying in Florence everything changes Now I have to decide am I brave enough to follow my heart across an ocean or will I let fear send me back to my safe solitary life Sometimes the best love stories start with the wrong address
