Anthony Kathi S. Barton,2016-10-31 Coleen had heard just about all she wanted to hear from her grandmother about the Bentleys no one could be that nice There had to be an angle there somewhere People just didn't help other people for nothing not in this day and age Tony Bentley wasn't expecting to find his mate and as a Were Panther he could even understand her reluctance He was after all a Bentley and the poor woman had been taken through the wringer but she was his mate and he wasn't about to take no for an answer Coleen's ex had left her in a heap of debt and she couldn't allow herself to bring that kind of baggage into a relationship She'd work through it somehow without the help of the mighty Bentleys **The Iron Hex** Victoria S. Walsh,2026-08-04 She doesn't remember her past But some memories come with a cost Eira Eckhart has spent years building a quiet life in a small town at the edge of a recently overthrown kingdom Her memory is fractured her past a blur but with her shop her loyal rabbit familiar and practicing only the potions magic still legal under the watchful eye of the Iron Empire she's managed to remain unnoticed by the empire's witch hunters Until Hugo Venton walks through her door Brash clever and infuriatingly handsome Hugo is searching for something and seems to know more about Eira than she knows about herself But when a terrifying encounter with an unnatural deadly new breed of soldier puts a price on her head she has no choice but to join Hugo on his quest Their hunt for a missing princess pulls Eira across the continent and deeper into a past she can't recall As buried memories mysteries in the Iron Empire's capital forgotten feelings and the truth behind her identity begin to surface Eira realizes the forbidden magic simmering in her veins might be the very thing that could save them from the Iron Empire's forces as they draw ever closer if she can remember how to control it in time FOR FANS OF Yearning The guard that falls in love with their assignment Enemies to friends to lovers Forbidden magic Memory loss plotlines Spark of the Everflame and A Fate Inked in Blood Plus sized main characters whose weight is the least important thing about them Powerful women in romantasy *Trenton* Kathi S. Barton,2022-06-19 Trenton was the last of the brothers to find a mate He saw his brother's happiness and wanted to experience that for himself Libby had moved in with her aunt to help her out And when a crazy neighbor was plotting to poison their water to make them sell their property to her the Marshalls stepped in to help From the moment Trenton figured out Libby was his mate she suddenly possessed a great deal of magic With the little people popping in and out and the house constantly changing Libby thought she was on the brink of

losing her sanity *Son of Our Blood* Kathi S. Barton,2013-03-01 Mac McManus has everything going for him but he doesn't see it that way All he sees are his limitations Like his father Aaron he is a vampire forced into the darkness and to sustain himself on blood He hates himself for what he has become and would rather meet the sun than remain immortal as a vampire or drink from another It's not anything he wants his family to know about He strikes a bargain with his aunt the Queen to get what he wants an end to his suffering In the bargain he must save a woman his mate from another vampire Zachariah Roberts a murdering fiend that has been plaguing Mac's dreams since he turned But the woman he must save the one the Queen is making him save has turned out to be more than he bargained for More than he ever wanted Brandi Daniel Andi to her friends has been on the run for years Never staying in any one place long she has managed to stay just one step ahead of her stepfather a cruel man with a nasty temper Andi has a talent of her own She can move things with her mind and her stepfather thinks he can sell her to a science lab for a quick buck Andi is caught squatting on Bradley Wolf's land and is given an ultimatum She can work off the debt or spend a few days in jail She figures she'll make a quick buck and leave before her stepfather finds her She has learned to rely only on herself and isn't bargaining for a gorgeous overbearing vampire Mac stepping in and dictating her every move A man who can and will fulfill her every fantasy and desire Mac's dreams of Zachariah have gotten worse and he knows that Andi is foretold to be one of his victims but the danged woman won't stay put The entire Kiss is banding together to keep Andi safe and it pisses her off in the process Will an entire Kiss of vampires and an entire pack of werewolves be enough to protect one stubborn human Has Mac found a new purpose in life Will either of them live long enough to find out Andrew Kathi S. Barton,2016-04-04 Andrew Lanning was happy when they shut down the family search and rescue business He hated it because it was rarely ever a rescue just bodies and that was too depressing But now he had to find something else to do Being a man of leisure left him too much time to get into trouble so he purchased a floundering cable company to occupy his time But when he started poking around the business the things he found made no sense The sales all of them stemmed from one computer and there were over a hundred employees Laci Wintermute was caught in the middle of what she thought was a grocery store robbery but found out quickly that she was the target of the would be robbers all along What she couldn't figure out was why And those idiots weren't the only ones after her either They didn't seem to stop coming So she did the only thing she knew to do she ran She ran until she ran out of money acquired an assumed name and took a job at a small cable company The fate Sonya was determined to destroy the Lanning family even from the grave The Compu-mark Directory of U.S. Trademarks ,1991 Houston Kathi S. Barton,2020-05-10 Trudy Justice was good at her job but that didn't mean she wasn't vulnerable Caught unaware by a fellow FBI agent the gunshot wound to Trudy's gut nearly did her in To the world Trudy was dead Rogan was hiding her out until they could figure out who had marked her to be a target Houston Robinson a tiger shifter was preparing to shift and take a much needed run when a strange woman's voice interrupted him before he could remove his pants to shift At first he was irritated

but when he saw the blood he wanted to help Hurting bad and suspicious of everyone Tru was in no mood to listen to anyone especially a shapeshifter claiming to be her mate She didn't care how nice he pretended to be **Mason** Kathi S. Barton,2015-08-21 Emma McBride loves working in the law firm and hopes someday to hang out a sign that has her name on it But for now she has some proving to do By the time she is caught up for the day it's nearly ten o'clock If this doesn't help her make a partner she has no idea what will Emma is going to her car when she hears someone coming down the lane she was in Instead of getting in being trapped in her car she pulls out her gun Landon McBride owns the ranch next door to the Double Deuce It is the largest ranch in the state His health is failing and he figures it's time to sell Lord knows his son Dirk isn't fit to run the ranch and Landon can't think of any person better to buy it than Mason Douglas Mason is a good man and could manage the large spread better than he could Mason is interested sure but knows he can't afford a spread that large and tells Landon that Landon jokes and tells him to marry his daughter and he can have it for free Mason isn't amused Although he's never met Emma he knows Dirk and if the siblings are anything alike it's not no but Hell no Emma is more embarrassed than she is hurting but the entanglement with those men did a number on her body she hurts everywhere Recuperating at her parent's ranch seems like the logical thing to do but with her brother showing his ass and getting kicked out she's wondering if she's not better off in her apartment in the city But when the man next door shows up and shifts into an angry cougar all bets are off The scent the fear and the smell of Emma are making Mason's cat wild He knows that he is scaring her hell he is scared himself He growls low She's my mate And hurt **Logan** Kathi S. Barton,2016-09-05 Logan Douglas was bored Everyone seemed to have something to do a purpose except him and he didn't know what to do about it He needed to get out of town or get a life before he killed somebody And if Mason made one more snide remark about him being available because he didn't have anything better to do it was gonna be him Charlie Stone knew the meaning of being overworked and underpaid That was the story of her life If she hadn't needed what little pay she got from the nursing home she'd have quit a long time ago Now the police were shutting the place down and she had nowhere to go Logan had found his mate Mary Shafer when they were still children They knew what they were to each other but Mary had been killed by a drunk driver when she was only ten As far as Logan was concerned he'd lost his only shot at love One mate in a lifetime everyone knew that But what Logan couldn't understand was his attraction to the feisty beauty Charlie Stone She couldn't be his mate he'd already lost his shot at that **Keith** Kathi S. Barton,2015-01-30 Living a life of exile made for a lonely existence Banished from her realm for a crime she didn't commit that's the life that the king had condemned Harley Pennington to Sentenced to a life of solitude away from the people she served the people she loved With her departure she was given a warning that if she fell in love and took a mate that she would be brought back and immediately put to death and her new mate along with her The Limo that Keith Golden was riding in was in a horrific accident rolling down an embankment He was trapped and felt his life slipping away until a vision of an angel clouded his view Harley saw the whole

thing and the instant she found the were tiger trapped in the huge vehicle she knew he was her mate Her instincts told her to run taking a mate was a death sentence for them both but she couldn t let him die Now that Keith had found his mate he wasn t about to let her go Was it their destiny or a fool s journey Would love be enough to thwart a king s rule and make her stay Would a difference of opinion drive a wedge in the Golden family tearing them apart from each other forever Find out in the final installment of the Golden Streak Series Keith

Landon Kathi S. Barton,2016-05-16 Landon Logan is a man haunted by a tragedy that he blames himself for but didn t do No one can convince him otherwise especially his well meaning Grandda who happens to be dead Landon is a necromancer Dillon Malone has a few abilities of her own She can find things by touching the owner or touching something the owner has touched This makes her a wanted woman Landon is so angry at his good for nothing parents that he storms out of their house with their maid in tow Dillon is happy to leave with this brooding young man and soon discovers that the handsome hunk is her other half Dillon s happiness is short lived when her past reaches out to bite her and she and Landon become pawns in her father s evil scheme When Dillon s father has Steele s new baby kidnapped all bets are off
