Medina, John Gigante**

## **Tok Trending Mental Health Tips Top:**

**Mind the Science** Jonathan N. Stea, PhD, 2024-09-03 A clinical psychologist who regularly deals with some of society's most vulnerable exposes and debunks the predatory pseudoscience and grift of the multi trillion dollar wellness industry and points us towards a better way to take care of our mental health Can the unbroken gaze of a lone man on a stage in front of hundreds of people truly alleviate their mental distress Can Berlin Wall pills or a coffee enema cure depression Can we improve our mental health with past life regression therapy cold water shock therapy rebirthing therapy Wellness grifters and alternative health snake oil salesmen are everywhere these days and when our medical systems are under stress and we are too these costly purveyors of false hope are worse than a waste of money they can lead us to delay badly needed care from real professionals exacerbate our conditions and in the most tragic of cases even kill us Today people looking to care for their mental health face a market with at least 600 brands of psychotherapy and counting Most are ineffective and many could be harmful There exist countless unregulated providers of mental health services in the 5.6 trillion USD wellness industry and alternative medicine community looking to exploit people's financial and emotional vulnerabilities The world of mental health care is very much caveat emptor buyer beware Having seen so many of his patients hurt by the pseudoscience circulating in the industry Dr Jonathan N Stea is on a mission to expose its harm and protect the public from mental health misinformation In a landscape of rampant burnout and at a time when mental health concerns are at a fever pitch Mind the Science provides hope and real information to those who have been touched by mental illness have been misled by false marketing or are simply curious about the relationship between science and mental health

**Health Anxiety and the Quest for Safety** Márta Csabai, 2025-12-12 Health Anxiety and the Quest for Safety critically examines how psychological and sociocultural processes influence anxiety and safety seeking behaviour concerning perceived health risks in globalised information societies It provides insights into how people respond to uncertainty and perceived threats to their body and health in the age of anxiety In examining the history of health anxiety the author explores fluctuations in concepts highlighting the power dynamics uncertainties and biased social and scientific attitudes in the background The chapters offer a critical analysis of contemporary safety seeking strategies including online health information searches fad diets self tracking body image interventions and the pursuit of personal meaning and well being Additionally the book investigates how sociocultural influences can induce guilt about one's body and health promote self blame or foster stigmatising attitudes while emphasising how the emergence of psy culture pop psychology and digital tools may enhance health empowerment but also generate health related anxieties and deepen inequalities As a critical reflection on prevailing individualistic paradigms the work also considers concepts that emphasise resonance and connectedness This book is valuable reading for clinical and health psychologists critical social scientists researchers and students in the health sciences as well as practitioners in all healthcare settings psychotherapists and communication specialists

*Fast Politics* Laura Pérez Rastrilla, Pablo Sapag

M.,Armando Recio García,2023-10-17 The goal of this book is to show the role of TikTok as a tool for political purposes To this end the authors analyse the messages posted on this social medium by political figures and institutions such as politicians and political parties their impact on political landscapes as well as the transformation of political communication techniques in order to suit the platform s features In the last two years the exponential growth of TikTok has led an increasing number of politicians and institutions to incorporate it into their communication strategies The platform displays some very different features from other social media that determine the way in which the content is presented In addition it manages to reach an audience that normally does not access or share political messages Within this context the volume pursues two main objectives First to examine how the communication techniques and the peculiarities of this social medium where short videos with actors in informal attitudes prevail affect the political message A second objective is to analyse the influence of the messages distributed through TikTok that redefine political scenarios and of the relationships of politicians and parties with voters The core of the book comprises case studies that are organised into three parts with nine chapters in all The authors are scholars and practitioners of political communication with diverse geographical representation who approach the topics from a range of methodological perspectives The first part addresses the state of the art and the influence of TikTok features on the way political communication is performed The second part discusses the influence of TikTok on electoral scenarios and political culture in India Bangladesh the United States and Ecuador Finally in the third part TikTok is analysed as an instrument for promoting far right politicians and parties in Europe as in the case of MatteoSalvini in Italy and AfD in Germany and Vox in Spain The volume is oriented to both scholars and communication professionals such as journalists communication consultants and speechwriters who want to become familiar with the platform learn about its political impact or wish to deepen their understanding of transformations in communication techniques and their adaptation to this growing social medium Chapter 2 The Moving Body as the Articulator Meme and Affective Link in Political Communication on TikTok is available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com) *iPad For Seniors For Dummies* Dwight Spivey,2022-04-05 Make the most of your iPad iPads are some of the coolest and most versatile tablets on the market today You can watch movies listen to music go online talk to your family and friends and pretty much anything else you can think of But with updates coming all the time it can be difficult to keep track of the smorgasbord of features this portable device offers That s where iPad For Seniors For Dummies comes in This handy guide to the even handier iPad has all the latest updates for the newest version of the famous tablet and its operating system Want to talk to Siri Check this guide Want to find where those cute photos of your grandkids went We ve got you covered With this handbook you ll also be able to Get a brand new iPad up and running smooth as silk and easy as pie Protect and secure the data on your iPad so you can keep yourself and your family safe from hackers Go online shop watch videos listen to music shoot your own movies and more Perfect for anyone who just got a new iPad as a gift

or for anyone who's got an existing iPad kicking around that they've been meaning to use more often iPad For Seniors For Dummies is the easy to follow and step by step tutorial you've been looking for

**Mediating Sex, Gender, and Sexuality in the GenZ Era** Rachel R. Reynolds, Dacia Pajé, Sienna Medina, John Gigante, 2025-09-19 This volume explores how so called digital natives of GenZ use media in the crafting of generational beliefs and representational practices around sex gender and sexuality Through qualitative chapters of critical ethnographic discursive and textual analysis an international team of authors explore mass media representation queerness and visibility among the generation GenZ feminism on social media and reactions to it how GenZ learns about sexuality through various media and gender and media effects While considering global implications the authors analyze experiences and points of view from various contexts including Chinese social media Korean mass and social media Indian movies Sri Lankan image based social media Japanese movies Turkey and mediated visibility Norway and online offline romantic relationships a UK based genderqueer gaming celebrity and multiple topics and contexts within the United States This accessible and varied volume will appeal to advanced undergraduates graduate students and researchers interested in social and mass media across a wide range of platforms and practices digital culture youth culture and human development sex education sex and gender studies and communication and culture change

Teens, Screens, and Social Connection Alma Spaniard, Janki Modi Avari, 2023-03-15 This book explores the increasingly important intersection of the digital world and mental health in the lives of pediatric and young adult populations Young people are spending a considerable amount of time on digital screen activities such as social media texting and online gaming The vast majority of teens and pre teens have access to computers and smartphones shifting social interaction away from face to face contact toward online communication A practical resource Teens Screens and Social Connection provides the reader with a targeted yet comprehensive understanding of a wide variety of internet and media related topics facing youth today Chapters include discussions on the developmental view from early childhood to young adulthood as well as the unique racial and cultural issues pertaining to technology and media The book provides both the challenges of the internet and media to be identified as well as solutions and clinical pearls that can be immediately applied to clinical practice and real world scenarios This book is a practical reference that functions as a concise yet comprehensive summary of the most important aspects of this very timely and important topic It is an invaluable practical resource for mental health clinicians as well as students and those professionals who work with youth in other domains

**Career Paths in Forensic Psychology** Jaymes Fairfax-Columbo, Alisha Desai, Simone Grisamore, David DeMatteo, 2025-09-22 Career Paths in Forensic Psychology offers a comprehensive introduction and guide to the varied career paths for aspiring forensic psychologists showing what a rewarding career at the intersection of law and psychology can look like in practice The book is divided into five parts Part I provides an overview of the field of forensic psychology and also briefly explores its origins and evolution in the United States Additionally it explores common professional activities of forensic psychologists as well as common career settings in which

they ply their trade academic settings clinical settings policy settings Part II examines employment in academic settings chiefly research academia practice oriented academia and teaching focused academia Part III discusses opportunities for clinical forensic psychology practice in both the public sector and in private practice settings Part IV considers career opportunities for policy interested forensic psychologists including in government agencies and policy focused non profit organizations Finally Part V gives readers tips on how to pick the best career home base for themselves considers supplemental opportunities that forensic psychologists can pursue if their home base does not scratch all their professional itches and provides guidance on how to put one s best foot forward as a forensic psychologist and be a worthy representative of the field This book is an ideal resource for students of forensic psychology and early career forensic psychologists looking to start and progress their career in academic clinical and policy settings as well as practicing psychologists looking to navigate career changes and transitions British Medical Journal ,1874 **Michigan Christian Advocate** ,1897

*British Humanities Index* ,2009 **Press Summary - Illinois Information Service** Illinois Information Service,1988
