Economic Policy In The Carter Administration:

Economic Policy in the Carter Administration Anthony S. Campagna, 1995 The Carter administration took office at an unfortunate time as far as economics is concerned The economy was floundering and the oil crisis and energy problems were all too prevalent The author explains that as Carter turned to fighting inflation he abandoned the traditional Democratic agenda and became a forerunner of Reagan In the end he did not conquer inflation but he did sacrifice his ambitious programs for restructuring government crafting a lasting energy program and reforming the tax structure welfare and health care

Jimmy Carter's Economy W. Carl Biven, 2003-10-16 The massive inflation and oil crisis of the 1970s damaged Jimmy Carter's presidency In *Jimmy Carter's Economy* Carl Biven traces how the Carter administration developed and implemented economic policy amid multiple crises and explores how a combination of factors beyond the administration's control came to dictate a new paradigm of Democratic Party politics Jimmy Carter inherited a deeply troubled economy Inflation had been on the rise since the Johnson years and the oil crisis Carter faced was the second oil price shock of the decade In addition a decline in worker productivity and a rise in competition from Germany and Japan compounded the nation's economic problems The resulting anti inflation policy that was forced on Carter included controlling public spending limiting the expansion of the welfare state and postponing popular tax cuts Moreover according to Biven Carter argued that the ambitious policies of the Great Society were no longer possible in an age of limits and that the Democratic Party must by economic necessity become more centrist

The Carter Presidency Gary M. Fink, Hugh Davis Graham, 1998 After the Nixon and Ford administrations liberal Democrats hoped Jimmy Carter's election in 1976 would restore the New Deal agenda in the White House Instead during four tumultuous years in office Carter endorsed many of the fiscal and economic policies later espoused by his Republican successor Ronald Reagan But Carter also backed most New Deal social programs and however reluctantly pursued a traditional containment foreign policy In this book more than a dozen eminent scholars provide a balanced overview of key elements of Carter's presidency examining the significance of his administration within the context of evolving American policy choices after World War II They seek not only to understand the troubled Carter presidency but also to identify the changes that precipitated and accompanied the demise of the New Deal order By the time Carter took office many Americans had become disenchanted with big government and welfare spending and his presidency is viewed in these pages as a transitional administration As this volume demonstrates Carter's dilemma emerged from his effort to steer a course between traditional expectations of federal government and new political and economic realities While most of the contributors agree that his administration may be justly criticized for failing to find that course they generally conclude that Carter was more successful than his critics acknowledge These thirteen original essays cover such topics as the economy trade and industrial policies welfare reform energy environment civil rights feminism and foreign policy They offer thoughtful assessments of Carter's performance focusing on policy both as cause and effect of the post

industrial transformation of American society that shadowed his administration A final essay shows how Carter s public spirited post presidential career has made him one of America s greatest ex presidents Grounded on research conducted at the Carter Library The Carter Presidency is an incisive reassessment of an isolated Democratic administration from the vantage point of twenty years It is a milestone in the historical appraisal of that administration inviting us to take a new look at Jimmy Carter and see what his presidency represented for a dramatically changing America *Guide to the Presidency and the Executive Branch* Michael Nelson,2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn *Guide to the Presidency and the Executive Branch* for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president s relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama s healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president s role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions [American Economic Policy in the 1980s](#) Martin Feldstein,2007-12-01 Destined to become the standard guide to the economic policy of the United States during the Reagan era this book provides an authoritative record of the economic reforms of the 1980s In his introduction Martin Feldstein provides compelling analysis of policies with which he was closely involved as chairman of the Council of Economic Advisers

during the Reagan administration monetary and exchange rate policy tax policy and budget issues Other leading economists and policymakers examine a variety of domestic and international issues including monetary and exchange rate policy regulation and antitrust as well as trade tax and budget policies The contributors to this volume are Alberto Alesina Phillip Areeda Elizabeth Bailey William F Baxter C Fred Bergsten James Burnley Geoffrey Carliner Christopher DeMuth Douglas W Elmendorf Thomas O Enders Martin Feldstein Jeffrey A Frankel Don Fullerton William M Isaac Paul L Joskow Paul Krugman Robert E Litan Russell B Long Michael Mussa William A Niskanen Roger G Noll Lionel H Olmer Rudolph Penner William Poole James M Poterba Harry M Reasoner William R Rhodes J David Richardson Charles Schultze Paula Stern David Stockman William Taylor James Tobin W Kip Viscusi Paul A Volcker Charles E Walker David A Wise and Richard G Woodbury

The Presidency of James Earl Carter, Jr Burton Ira Kaufman, Scott Kaufman, 2006 A thoroughly revised updated and newly illustrated version of the Gaddis Smith called the best book on the totality of the Carter presidency The new edition includes more on the former president s foreign and environmental policies and expands coverage of the personal Carter as well as his wife Rosalyn s activist role during his administration *The Press And The Carter Presidency* Mark J Rozell, 2019-08-14 This study is a revision of my doctoral dissertation written at the University of Virginia As a student of the American presidency I became interested in how presidential leadership is defined analyzed and assessed Students of the presidency spend a great deal of time studying leadership theory and debating the merits of different measures of leadership success These students draw inspiration for their ideas from noted presidency scholars such as Edward S Corwin Clinton Rossiter and Richard Neustadt **Guide to the White House Staff** Shirley Anne Warshaw, 2013-03-27 Guide to the White House Staff is an insightful new work examining the evolution and current role of the White House staff It provides a study of executive legislative relations organizational behavior policy making and White House cabinet relations The work also makes an important contribution to the study of public administration for researchers seeking to understand the inner workings of the White House In eight thematically arranged chapters Guide to the White House Staff Reviews the early members of the White House staff and details the need statutory authorization and funding for staff expansion Addresses the creation of the Executive Office of the President EOP and a formal White House staff in 1939 Explores the statutes executive orders and succession of reorganization plans that shaped and refined the EOP Traces the evolution of White House staff from FDR to Obama and the specialization of staff across policy and political units Explores how presidential transitions have operated since Eisenhower created the position of chief of staff Explains the expansion of presidential in house policymaking structures beginning with national security and continuing with economic and domestic policy Covers the exodus of staff and the roles remaining staff played during the second terms of presidents Examines the post White House careers of staff Guide to the White House Staff also provides easily accessible biographies of key White House staff members who served the presidencies of Richard M Nixon through George W Bush This valuable new reference will find a home in collections

The American Middle Class Robert S. Rycroft, 2017-05-12 What is the American Dream This book's author argues that contrary to what many believe it is not achieving the wealth necessary to enter the top one percent but rather becoming members of the great middle class by dint of hard work and self discipline Americans of all classes consider themselves to be middle class There are Americans who by any objective standard should be considered poor who would insist they are middle class just as other Americans who should be considered wealthy also insist they are middle class Thinking of yourself and being thought of by others as middle class is the American Dream for tens of millions of people But an enduring problem of the American middle class is the worry that the Dream is coming apart that forces are lurking in the shadows waiting to steal their progress and throw them back into poverty This thought provoking reference explores a disparate multitude of issues associated with being middle class in America It addresses a range of questions and subtopics including the meaning of the term middle class how middle class status is expressed by both the majority and the various minorities that make up the American mosaic what economic pressures are bearing down on the middle class and how economists and others attempt to make sense of the economic issues of the day Readers will also better understand how political institutions and public policies are shaping the way the middle class views the world how labor housing education and crime related issues have influenced the development and growth of the middle class the norms of the middle class versus those of other classes in society and the role of culture and media in shaping how members of the middle class view themselves and how they are viewed by others This two volume set provides a comprehensive look at the American middle class that supports student research in economics social studies cultural studies and political history The content supports teachers in their development of lesson plans and assignments that directly align with the Common Core State Standards and the recommendations of the National Curriculum Standards for Social Studies NCSS with respect to all ten NCSS themes

Congressional Record United States. Congress, 1980 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873

History of U.S. Political Parties: 1972-2001 : the politics of consensus ,2002

Governing the White House Charles Eliot Walcott, Karen Marie Hult, 1995 Charles Walcott and Karen Hult maintain that the organization of the White House influences presidential performance much more than commonly thought and that organization theory is an essential tool for understanding that influence Their book offers the first systematic application of organizational governance theory to the structures and operations of the White House Office Using organizational theory to analyze what at times has been a rather ad hoc and disorganized office might seem quixotic After all the White House Office exists within a turbulent political environment that encourages expedient decision making And every

four to eight years it must be reinvented by presidents who have their own theories and preferences about how to organize a staff to serve their policy needs But Walcott and Hult argue that White House staffs are not simply puppets of presidential preference and style Yes staff structures evolve primarily from presidents strategic responses to external demands But those structures in turn significantly influence how the executive branch perceives and responds to further demands The first part of their book lays out the theoretical argument The second examines White House outreach congressional liaison press relations personnel selection executive branch oversight and interest group and intergovernmental liaison The third focuses on White House handling of policy development and implementation The fourth analyzes staff structures that facilitate the operation of the presidency itself presidential writing and scheduling staff management and cabinet coordination The book concludes by identifying general patterns in the emergency nature and stability of governance structures in the White House

Original and instructive Governing the White House provides a much needed primer on the inner workings of the White House staff and will be an essential volume for anyone studying the presidency

The Presidency and the Management of National Security Carnes Lord,1988 In this brilliant examination of the management of national security over the past 40 years a former officer of the National Security Council explores the creation of the NSC its changing function and its uses and misuses by presidents along with specific suggestions for corrections

Empowering the White House Karen Marie Hult,Charles Eliot Walcott,2004 On the surface the new president seems to inherit an empty house Hugh Heclo a recognized expert on American democratic institutions has noted In fact he enters an office already shaped and crowded by other people s desires Empowering the White House examines how Richard Nixon entered that crowded Oval Office in 1969 yet managed to change it in a way that augmented the power of the presidency and continues to influence into the twenty first century how his successors have governed Nixon s White House is perhaps best remembered for the growth in the size of the staff which operated under the supposed iron fist of H R Haldeman But more important than size and management style to the character of the Nixon White House were the assigned tasks complexity and dynamics of the burgeoning staff Faced with hostile majorities in Congress and executive branch careerists assumed to be committed to a Democratic agenda Nixon sought to control his political fate by engaging more actively than earlier presidents in public relations and the mobilization of support At the command and under the control of the Oval Office the staff carried out assignments designed to fulfill Nixon s aims This theoretically informed and well researched study explains how Nixon changed and expanded the institutionalized presidency and how that affected the Ford and Carter administrations Nixon ushered in a new stage in the modern presidency by organizing and using his increasingly complex staff in new ways that have persisted beyond the 1970s to this day To a greater degree than any predecessor Nixon systematized outreach legal advice and policy formulation His White House staffing then has come to be regarded as a standard model that influences incoming presidents regardless of party affiliation Leavening this organizational study are revealing accounts of how the Nixon Ford and Carter staffs operated

behind the scenes in the West Wing Anyone needing to know how the White House worked during those presidencies or how it has worked since will find this book invaluable *Attack Politics* Emmett H. Buell, Lee Sigelman, 2008 Ask most Americans and they'll tell you that presidential campaigns get dirtier and more negative with every election This text suggests that this may not be as true as we think and shows that over the last dozen elections negativity may have been well publicised but hasn't increased

Making Economic Policy Kenneth I. Juster, Simon Lazarus, 1997 In this book Kenneth I Juster and Simon Lazarus evaluate President Clinton's National Economic Council Juster and Lazarus who have served in Republican and Democratic administrations interviewed more than sixty senior officials from the Clinton administration and seven predecessor administrations including two former presidents in order to present a comparative perspective of the NEC's usefulness and performance One of President Clinton's first steps after his election in 1992 was to create the National Economic Council to integrate and coordinate his administration's economic policies *National Party Platforms of 1980*, 1982

The Strategic Presidency James P. Pfiffner, 1996 The best book on the importance of presidential transitions to the long term successes of administrations Contemporary scholars and practitioners will be especially interested in Pfiffner's treatment of the problems that surrounded the Clinton administration's troubled start Mark J Rozell author of *Executive Privilege*

The Encyclopedia of the Republican Party, *Economics and the Truman Administration* Harry S. Truman Library. Institute for National and International Affairs, 1981 This retrospective study brings together twenty two key associates of President Truman's to consider the administrative operation of the presidency from 1945 to 1953 The contributors are persons who were close to Truman throughout his presidency members of the cabinet the White House staff and senior officials in Executive Office agencies Sharing personal reflections are among others Charles Brannan W Averell Harriman Leon H Keyserling Charles S Murphy Richard E Neustadt John W Snyder Elmer B Staats and the late Tom C Clark A number of important administrative aspects of Truman's presidency are touched upon as the participants review the years of their White House experience They talk about policy making in the areas of national security and foreign affairs about budget and economic matters relations with Congress domestic problems such as civil rights presidential appointments and even press relations They exchange anecdotes about the president's style and their working relationships with him in staff meetings cabinet meetings and private briefing sessions The creation of the Central Intelligence Agency and the establishment of the National Security Council the Council of Economic Advisers and the National Security Resources Board during Truman's administration clearly improved and strengthened the organization of and the institutional aids to the presidency In answer to the question of what can be learned from the way Truman operated the presidency however the overriding theme of the exchanges recorded here is that the style of the White House is inescapably the president's style The picture that emerges in these pages of life and work in Truman's administration is one of informality enthusiasm and camaraderie A family like atmosphere pervaded the staff and the president played the crucial role in setting the tone

Incorporating a broad spectrum of firsthand information on the administrative concepts and practices of the Truman era this volume will be of prime interest to all students of government and executive organization

Economic Policy In The Carter Administration Introduction

In today's digital age, the availability of Economic Policy In The Carter Administration books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Economic Policy In The Carter Administration books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Economic Policy In The Carter Administration books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Economic Policy In The Carter Administration versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Economic Policy In The Carter Administration books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Economic Policy In The Carter Administration books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Economic Policy In The Carter Administration books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Economic Policy In The Carter Administration books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Economic Policy In The Carter Administration books and manuals for download and embark on your journey of knowledge?

FAQs About Economic Policy In The Carter Administration Books

1. Where can I buy Economic Policy In The Carter Administration books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
