doubt is a part of faith and that doubts can be an invitation to an even deeper faith Through this book Craig will walk through questions like Why doesn't God answer my prayers Why should I believe God is good Why would God only provide one way to eternal life with him Doesn't science contradict the Bible Why believe in Jesus when his followers are such hypocrites Doubt doesn't have to be a dead end If you're in the valley of doubt keep seeking reading and asking It won't be easy but it will be worth it Seek God and you will find him or even better he will find you
