Guide to the Healthcare Industry Karen L. Pellegrin, 2024-05-08 Healthcare's advancements are undeniable but delivering good value remains a challenge. Costs rise while quality improvements lag leading some to call for removing business from healthcare entirely. This book offers a different perspective inviting students and professionals to consider the potential of evidence-based business practices to improve healthcare and reduce costs. This engaging guide explores the unique complexities of the healthcare industry highlighting why it's ripe for disruption through innovative business solutions. By delving into how traditional models might not fit healthcare perfectly the book paves the way for understanding how better business practices can unlock the potential for higher quality care at a lower cost.

The Long Fight - A Strategic and Practical Guide for Digital Health Entrepreneurs David Qu, 2025-07-15 The U.S. healthcare system is massive, complex, and ripe for transformation. For digital health entrepreneurs, founders, CEOs, and innovators, the opportunity is enormous. But so are the challenges: fragmented systems, entrenched stakeholders, uncertain regulation, and long sales cycles. Success demands more than a great idea. It requires deep industry knowledge, strategic clarity, resilient leadership, and relentless execution. In *The Long Fight*, veteran digital health executive David Qu summarizes 30 years of hard-won experience into a practical, inspiring guide. Drawing from his time leading global SaaS businesses, advising startups, and coaching founders, David offers a rare combination of strategic frameworks, market insights, and real-world lessons tailored to the realities of digital health. Whether you're launching a new venture, scaling a platform, raising capital, or exploring go-to-market models, this book will equip you with the tools to navigate complexity and lead with purpose. Inside you'll learn how the U.S. healthcare ecosystem really works and what every founder must understand: What investors look for at each stage of funding and what turns them off; How to define and test product-market fit in a crowded, regulated space; The keys to selling into health systems, payers, and employers with different GTM channels; Why strategic partnerships succeed or fail and how to build ones that scale; How to lead through ambiguity and build a culture that endures. Backed by data, informed by experience, and designed for action, *The Long Fight* is a must-read for anyone building the future of health. If you're ready to solve meaningful problems and do it with insight and intention, this book is your essential companion.
