The Routledge Handbook of Digital Consumption Rosa Llamas, Russell Belk, 2022-09-26 Since the publication of the ground breaking first edition there has been an exponential growth in research and literature about the digital world and its enormous potential benefits and threats Fully revised and updated this new edition brings together an expertly curated and authoritative overview of the impact and emerging horizons of digital consumption Divided into sections it addresses key topics including digital entertainment self representation communication Big Data digital spirituality online surveillance and algorithmic advertising It explores developments such as consumer data collection techniques peer to peer payment systems augmented reality and AI enhanced consumer well being as well as digital transgression secrecy crypto currencies NFTs and cultural concerns such as the spread of conspiracy theories and fake news From digital influencers digital nomads and digital neo tribalism to robots and cyborgs it explores existences that blur boundaries between humans and machines reality and the metaverse and the emerging technoculture a state of all encompassing digital being This unique volume is an essential resource for scholars practitioners and policy makers and will continue to provide a new generation of readers with a deep understanding of the universe of digital consumption

News Writing and Reporting: A Strategic Approach to Storytelling Chris R. Vaccaro, 2024-08-22 With a focus on how the modern newsroom runs and operates News Writing and Reporting A Strategic Approach to Storytelling prepares students to become successful journalists in today s competitive news industry Author Chris Vaccaro applies an audience centered and business minded approach discusses emerging media trends and guides students through strategic thought in multiplatform reporting and storytelling The book offers practical career tips interviews with reporters and full career and product development guides while each chapter concludes with strategies and writing exercises to equip students with tactics for planning structuring and editing content across various platforms

Blockchain & Decentralized Finance Andrew Walker, 2022-10-07 Blockchain technology and the invention of smart contracts running on it have given rise to Decentralized Finance At the time of its birth DeFi was seen as a response to the 2008 crisis and a hope to democratize finance By eliminating the role of intermediaries and fluidifying property through tokenization finance would become accessible to all To overcome all the obstacles it faced volatility security issues distrust etc DeFi had to find original ways to develop by leveraging sociologically diverse communities of enthusiastic developers users and investors from all over the world In particular it has distinguished itself in the fields of communication marketing and community building through an original use of social networks and messaging tools We have specifically emphasized these latter aspects based on our professional experience and interviews with experts working in the field It appears that DeFi is potentially interesting for companies Indeed Blockchain technology is generalizable to many other areas of economic activity beyond finance Moreover the DeFi communities foreshadow the communities of entrepreneurs and users consumers of the future Web3 0 DeFi is the manifestation of a new era of the Internet Due to key elements of blockchain and smart

contracts the value of data could be wrested from the hands of Internet giants that control the ad market and be restituted to businesses and consumers Through the direct relationship with the consumer this technology is becoming a powerful tool for optimizing business operations reducing costs and creating value Businesses will have to reconsider relationship with their customers in a spirit of community and direct interaction with them which blockchain allows i e through remuneration of the user customer However if blockchain technology is mature its use is still too amateurish In this context it is crucial to rely on recognized professionals because a hasty implementation can lead to serious risks for the reputational and financial integrity of companies Experts we have interviewed have emphasized this key issue On the one hand a business with significant capital can invest heavily in Web3 0 and can develop its own blockchain solutions to stay ahead of its competitors On the other hand a small business cannot do the same With less technical and financial capital the small business is currently only able to implement technologies that are not very advanced and whose utilization carries risks But the situation may change rapidly in the future Get this book and you will learn more on blockchain and decentralized finance

Each concise, actionable chapter lets you be a fly on the wall of a successful leader demonstrating a solution to a commonly encountered leadership problem. *Coach Me Your Personal Board of Directors* also provides thorough introductions to self-examination and self-awareness, including maximizing the impact of feedback and proven techniques to ensure your leadership measures up. Comprehensive explorations of communication and interpersonal relationship skills, including treatments of authenticity and cultural fluency. Practical discussions of emotional intelligence, including the management of out-of-control feelings and conflict management. In-depth examinations of change and transition management, including explorations of the first 100 days as a new leader and how to lead teams through crises. Perfect for managers, executives, and business leaders of all kinds. *Coach Me Your Personal Board of Directors: Leadership Advice from the World's Greatest Coaches* will also earn a place in the libraries of the coaches, consultants, and other professionals who work with leaders in government, business, and the nonprofit sectors.

[The Emerald Handbook of Fintech](#) H. Kent Baker, Greg Filbeck, Keith Black, 2024-10-04. The Emerald Handbook of Fintech offers a detailed, user-friendly examination of the technologies and products reshaping the financial technology industry, from leading global scholars and practitioners.

The Silent Wife Karin Slaughter, 2020-08-04. WATCH WILL TRENT ON ABC. The #1 New York Times bestselling author of *Pieces of Her* returns with the next novel in the Will Trent series that comes with just the right amount of twists, turns, shocks, surprises, and domestic thrill and shills. Parade. He watches. He waits. He takes. Who will be next? THE SILENT WIFE. Investigating the killing of a prisoner during a riot inside a state penitentiary, FBI investigator Will Trent is confronted with disturbing information. One of the inmates claims that he is innocent of a brutal attack for which he has always been the prime suspect. The man insists that he was framed by a corrupt law enforcement team led by Jeffrey Tolliver and that the real culprit is still out there: a serial killer who has systematically been preying on women across the state for years. If Will reopens the investigation and implicates the dead police officer with a hero's reputation of wrongdoing, the opportunistic convict is willing to provide the information FBI needs about the riot murder. Only days ago, another young woman was viciously murdered in a state park in northern Georgia. Is it a fluke, or could there be a serial killer on the loose? As Will Trent digs into both crimes, it becomes clear that he must solve the cold case in order to find the answer. Yet nearly a decade has passed, time for memories to fade, witnesses to vanish, evidence to disappear, and lies to become truth. But Will can't crack either mystery without the help of the one person he doesn't want involved: his girlfriend and Jeffrey Tolliver's widow, medical examiner Sara Linton. When the past and present begin to collide, Will realizes that everything he values is at stake.

One Killer Problem Justine Picculla Winans, 2024-06-04. A darkly funny and thoroughly queer mystery thriller with a touch of camp for fans of Kara Thomas and Kit Frick by way of *Only Murders in the Building*. When Gianna Gigi Ricci lands in detention again, she doesn't expect the glorified study hall to be her alibi. But when she and her friends receive a mysterious email directing them to her favorite teacher, Mr. Ford's room, they find him lying in a

pool of blood But calling the math teacher s death an accident doesn t add up and Gigi needs all the help she can get to find the truth Luckily she s friends with her high school s Mystery Club and so with her best friend Sean and longtime crush Mari Gigi sets out to solve a murder But it turns out that murderers are extremely unwilling to be caught and the deeper Gigi gets in this mystery the more dangerous things become Between fending off a murderer continual flare ups of her IBS and her archnemesis turning flirtatious making it out of junior year is going to be one killer problem With a wry hilarious voice and a main character who is the walking definition of a disaster bi this book is an ode to cozy mysteries queer found families and fighting for the people you love no matter what

Santa Monica Cassidy Lucas,2020-10-06 A debut novel in the vein of Liane Moriarty and Tom Perrotta about dark secrets brought to life after the mysterious death of a handsome and charismatic trainer to the elite women in Santa Monica On the western edge of Los Angeles is the gorgeous beachside city of Santa Monica where the sun kissed wealthy residents seem to inhabit real life California dreams When movie star handsome heartthrob fitness coach Zack Doheny is found dead on the floor of his gym the tragedy shocks the elite community especially those who d spent many hours each week exercising with the charismatic trainer As the narrative flashes back to the months leading up to Zack s death it quickly becomes clear that things in this coastal paradise are not as glittering as they seem Lettie Zack s secret half sister and an undocumented housekeeper for the toned entitled women of Santa Monica holds her brother responsible for a horrific family accident and desperately needs his money to prevent her deportation Regina type A exercise addict and entrepreneur will do anything to get out of debt and to claim Zack for herself And Mel a New York City transplant who finds herself forty pounds heavier and far more cynical than the lithe women of Santa Monica discovers an electric attraction to

Zack that threatens to disrupt his bond with Regina and upend Mel's own marriage. As these residents of Santa Monica begin to crack under the stress of their secrets, one question hangs above it all: what really happened to Zack Doheny? As addictively suspenseful as it is sharply observed, hilarious and compassionate, *Santa Monica* is the rare novel that captures readers with propulsive storytelling alongside emotional urgency, irresistible characters, ambitious themes, and a vivid sense of place.
