Hosting meetups was too time consuming so It was time to take RUNINOut on the road What better way to do that than to become a truck driver and make some money on the side He attended trucking school in Middletown VA and spent many nights sleeping in my car near the foothills of the Shenandoah Then during a period of a year and a half he worked for three different companies and picked up the requisite skills to be an over the road trucker He then decided to purchase his own truck and drive power only pulling other people s trailers But before starting his trucking company he would attend diesel tech training at North American Trade Schools in Baltimore MD Trucking in a semi truck is living the good life No boring meetings No pesky bosses to haggle you And when you get tired of the scenery you just get up and go Would Chito find life fun and exciting Or would there be hazards and dangers in the road ahead
