In Adam Cesare's terrifying young adult debut, Quinn Maybrook finds herself caught in a battle between old and new tradition and progress that just may cost her life. Quinn Maybrook and her father have moved to tiny, boring Kettle Springs to find a fresh start. But what they don't know is that ever since the Baypen Corn Syrup Factory shut down, Kettle Springs has cracked in half. On one side are the adults who are desperate to make Kettle Springs great again, and on the other are the kids who want to have fun, make prank videos, and get out of Kettle Springs as quick as they can. Kettle Springs is caught in a battle between old and new tradition and progress. It's a fight that looks like it will destroy the town. Until Frendo, the Baypen mascot, a creepy clown in a pork pie hat goes homicidal and decides that the only way for Kettle Springs to grow back is to cull the rotten crop of kids who live there now.
