THEOSOPHICAL ARTICLES AND NOTES

Reprinted from
Original Sources
THE THEOSOPHY Co.

FOREWORD

The articles in this volume come from a variety of sources. They are presented here for their intrinsic worth to students of Theosophy. They are grouped according to the place of first appearance—in the Theosophist, Lucifer, the Path, and other sources. Within these groupings they are arranged chronologically. Internal evidence strongly suggests that some of them have an "adept" origin, and they are so presented. One or two articles unintentionally omitted from Theosophical Articles by H.P.B. and W.Q.J. are included. Other contributions, not identified as to author, are of a quality which makes it appropriate to reprint them here. Thus there are articles, replies and notes which appeared in the Theosophist and Lucifer, also material by Damodar K. Mavalankar, and two articles signed "Murdhna Joti" from the Path. Cicero's "Vision of Scipio" is included by reason of H.P.B.'s briefly in formative footnotes. Judge's "Notes on the Bhagavad Gita" is a Path article which was not a part of the book of that name. Finally, there is material taken from A.P. Sinnett's The Occult World, from the notes of Robert Bowen, a pupil of H.P.B., and also from notes found in the effects of Countess Wachtmeister, apparently taken down from dictation by H.P.B.

The value of the writings here presented will be self-evident to Theosophical students and readers.
