Terms & Conditions R., 2021-04-22 Master satirist tackles the contract everyone agrees to but no one reads For his newest project R Sikoryak tackles the monstrously and infamously dense legal document iTunes Terms and Conditions the contract everyone agrees to but no one reads In a word for word 94 page adaptation Sikoryak hilariously turns the agreement on its head each page features an avatar of Apple cofounder and legendary visionary Steve Jobs juxtaposed with a different classic strip such as Mort Walker s Beetle Bailey or a contemporary graphic novel such as Craig Thompson s *Blankets* or Marjane Satrapi s *Persepolis* Adapting the legalese of the iTunes Terms and Conditions into another medium seems like an unfathomable undertaking yet Sikoryak creates a surprisingly readable document far different from its original purely textual incarnation and thus proving the accessibility and flexibility of comics When Sikoryak parodies Kate Beaton s *Hark A Vagrant* peasant

comics with Steve Jobs discussing objectionable material or Homer Simpson as Steve Jobs warning of the penalties of copyright infringement Terms and Conditions serves as a surreal record of our modern digital age where technology competes with enduringly ironclad mediums

Relating Worlds of Racism Philomena Essed, Karen Farquharson, Kathryn Pillay, Elisa Joy White, 2018-08-20 This international edited collection examines how racism trajectories and manifestations in different locations relate and influence each other The book unmask and foregrounds the ways in which notions of European Whiteness have found form in a

variety of global contexts that continue to sustain racism as an operational norm resulting in exclusion violence human rights violations isolation and limited full citizenship for individuals who are not racialised as White The chapters in this book specifically implicate European Whiteness whether attempting to reflect negate or obtain it in social structures that facilitate and normalise racism The authors interrogate the dehumanisation of Blackness arguing that dehumanisation enables the continuation of racism in White dominated societies As such the book explores instances of dehumanisation across different contexts highlighting that although the forms may be locally specific the outcomes are continually negative for those racialised as Black The volume is refreshingly extensive in its analyses of racism beyond Europe and the United States including contributions from Africa South America and Australia and illuminates previously unexplored manifestations of racism across the globe

Sometimes management books achieve a clear cut distinction between strategy and tactics Seldom they include the business model as a third competitiveness driver And never so far has the theory of business been considered as a fourth required performance vector different from all other three However organizational optimization requires all four the why where what and how The theory of business Drucker is the why the company makes sense The reality assumptions the organization is grounded upon What it is paid for The business model Porter is the what the basic pillars of a firm s organization How it transforms client satisfaction into value for itself Strategy Joffre is the where the choice of 1 geographical areas 2 industries and 3 within them of segments And tactics is the how respecting to the nine functional areas from marketing Kotler to human resources to how to advertise how to motivate etc Four inferences follow All four drivers are necessary conditions none sufficient They interrelate some impacting on others They must fit reinforcing each other and They should be periodically reviewed under a sequence of steps This is illustrated by the book s detailed examples of e g Nike Dollar Shave Club Spotify SpaceX Vend me Sears IBM Apple Music McDonald s Marks Spencer Canva SolarCity Farfetch etc The fundamental message is that neglect of any of the four drivers brings efficiency doing things right the Phronesis of Aristotle at the cost of lower effectiveness doing the right things the Chokhmah of Solomon With more and more resources producing less and less underperformance will follow

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
