

Hansel and Gretel overheard what their stepmother had said. They were very sad.

Hansel crept outside and found some white pebbles. They shone brightly in the moonlight. He filled his pockets with the pebbles and crept back inside.

Hansel and Gretel

Once upon a time, there lived 2 children called Hansel and Gretel. They lived with their father and stepmother in a house in the woods. Their father was a woodcutter.

The woodcutter was very poor. He could no longer provide food for his family. One night, his wife suggested that they take the children to the forest and leave them there.
