work challenges **HBR Guides to Building Your Strategic Skills Collection (3 Books)** Harvard Business Review,2020-08-04 If you aren't working with a strategy you're wasting your time. Strategy isn't just a set of plans handed down from the C-suite. To grow as a leader you need to understand your company's strategy and align your thinking, projects, and team with organizational goals and vision. Master these abilities with the HBR Guides to Building Your Strategic Skills Collection. This three-book set, which includes the HBR Guide to Thinking Strategically, the HBR Guide to Managing Strategic Initiatives, and the HBR Guide to Setting Your Strategy, will help you change the way you think about your work, manage your most important priorities, and craft a strategy for long-term growth. You'll learn how to understand what strategy is and what it isn't, define a clear strategy whether you're in a start-up or in an established business, manage a portfolio of strategic projects, embed strategic thinking into your daily tasks and decision-making, align your team around key objectives, let go of work that doesn't add value, communicate strategy throughout your organization, and arm yourself with the advice you need to succeed on the job with the most trusted brand in business. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges. [Harvard Business Review Project Management Handbook](#) Antonio Nieto-Rodriguez,2021-10-19 The one primer you need to launch, lead, and sponsor successful projects. We're now living in the project economy. The number of projects initiated in all sectors has skyrocketed, and project management skills have become essential for every leader and manager. Still, project failure rates remain extremely high. Why? Leaders oversee too many projects and have too little visibility into them. Project managers struggle to translate their hands-on technical knowledge up to senior management. The result? Worthy projects are starved of time and resources and fail to deliver benefits, while too much investment goes into the wrong projects. To compete in the project economy, you need to close this gap. The HBR Project Management Handbook shows you how. In this comprehensive guide, project management expert Antonio Nieto-Rodriguez presents a new and simple framework that will increase any project's likelihood of success. Packed with case studies from many industries worldwide, it will teach you how to manage your organization's projects, strategic programs, and agile initiatives more effectively and push the best ones ahead to completion. Timeless yet forward-looking, this book will help you win in the project-driven world. In the HBR Project Management Handbook, you'll find everything you need to know about project management in practical, nontechnical language: a definitive taxonomy of project types from product launches to digital transformations to megaprojects; a road map for becoming an effective project leader and executive sponsor; a new, simple, and universal project framework, the Project Canvas, that breaks down any project into essential building blocks that can be easily understood by all project stakeholders; original concepts and exclusive case studies from public and private sector organizations worldwide; you'll learn a common language for project managers and executives to run successful projects across your organization; when to use agile, traditional, or hybrid methods in your projects; the twelve principles of successful projects, including purpose, agility, and a focus on outcomes; techniques for selecting and advancing

the best projects and managing a strategic and balanced project portfolio How today s projects will help address some of the most pressing global trends including automation sustainability diversity and crisis management Why project management needed to be reinvented and what the future holds HBR Handbooks provide ambitious professionals with the frameworks advice and tools they need to excel in their careers With step by step guidance time honed best practices and real life stories each comprehensive volume helps you to stand out from the pack whatever your role [Harvard Business Review](#) ,2005
