Chill Factor David Paitson,Craig

Merz,2015-03-03 The city of Columbus Ohio had always struggled to support any professional sports franchise It s a town where Ohio State University reigns supreme and everything else is less important That was until 1991 when the Columbus Chill a minor league hockey franchise arrived Using Veeckian marketing tactics and on ice shenanigans the Chill became the talk of the city and gained a religious local fan base Based on the success of the Chill from 1991 99 the city of Columbus was awarded with the Columbus Blue Jackets in 2000 the city s own NHL franchise Chill Factor follows the wild ride through the eyes of team president and general manager David Paitson from the early formation of the minor league franchise through the decision to rattle the status quo by going to the edge and beyond with a marketing and promotional plan that was both edgy and controversial The success of the Chill after their first season gave the organization the impetus to challenge local civic and business leaders to build a world class arena and emerge from the shadow of OSU There were setbacks and triumphs on and off the ice and eventually the realization that the Columbus of today would not be possible without the aid of the Chill Chill Factor takes readers into the front office and onto the rink giving every angle of how a small town was able to get behind a working class team that fought both on and off the ice This thrilling account will appeal to those who remember the Chill s reign as well as those who enjoy seeing the underdog climb the ladder to sports supremacy Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

[Ruthless Consistency: How Committed Leaders Execute Strategy, Implement Change, and Build Organizations That Win](#) Michael Canic, 2020-09-01 When all is said and done a lot more gets said than done What is the antidote to this Ruthless Consistency According to Harvard Business Review most studies still show a 60-70% failure rate for organizational change

projects a statistic that has stayed constant from the 1970s to the present Drawing on his 20 years of experience as a strategy and execution consultant specializing in midsize companies Michael Canic helps committed leaders drive the odds in their favor In Ruthless Consistency he identifies the three surprising reasons most strategic change initiatives fail Leaders unwittingly send mixed messages that demotivate their people and undermine those initiatives Leaders focus on what they do instead of what their people experience Leaders are not as committed as they think they are or need to be The book then introduces an intuitive yet comprehensive model for success Simply put leaders who develop the right focus create the right environment and build the right team consistently are leaders whose organizations win Finally it details each element of the model and offers ready to apply processes practices techniques and tools to make it happen It s a must read for every leader who wants to implement change successfully
