their time differently than most of us. Instead of letting the daily grind crowd out the important stuff, they start by making sure there's time for the important stuff. When plans go wrong and they run out of time, only their lesser priorities suffer. The Golden Age of Charli Jena C. Henry, 2015-08-26 Charlotte McAntic spent her thirties, forties, and even fifties in peace and harmony, aligning her marriage, mortgage, careers, and children. As she stumbles into a new phase of life, also known as the Golden Years, Charli cannot help but wonder where the gold and her husband Pud are hiding. Pud is happily cruising down the retirement path that for him leads straight to the golf course. While Charli spends her days at home cleaning out closets and the basement, she yearns to gaze deeply into Pud's blue eyes and remember all the reasons why she fell in love with him thirty years ago. Unfortunately, the only thing Pud is eying is the next fairway. Knowing there is more to savor in retirement than silver hair shampoos, senior discounts, and hernia surgery, Charli embarks on a quest to do whatever it takes to spend retirement in the embrace of the man she loves. But is it too late for happily ever after? In this humorous novel, a high-energy wife and her solid guy must learn to adjust to a new chapter in their lives and find their way back into each other's hearts after their retirement begins with a jolt.
