[48 Home Business Ideas Guide](#) Manuela Willbold, Fernando Raymond, Introduction. Your time is limited, so don't waste it living someone else's life. Don't be trapped by dogma, which is living with the results of other people's thinking. Don't let the noise of others' opinions drown out your own inner voice. And most important, have the courage to follow your heart and intuition. They somehow already know what you truly want to become. Everything else is secondary. Steve Jobs, Co-founder of Apple. It's not an easy task, and many people don't make the effort as they probably feel it's not that important. But if you're in a place where you're questioning your lifestyle and what you do for a living, then this should be the first step you take to identify what you really want to spend the majority of your time doing.

He identified his passion for SEO and digital marketing and set up ClickDo Ltd with only a few clients in the early days.
