### COVER LETTER

---

#### Dear Hiring Manager,

I have always followed Google's mission to organize, democratize information, and empower people. As a Product Manager, I have had the privilege of working with Google's mission to organize the world's information and make it universally accessible and useful.

In 2018, I spearheaded a comprehensive strategy review that aligned product development with customer market needs, resulting in a successful repositioning of our core Google Products. This initiative not only streamlined our functional work but also led to a 15% growth in customer and market demand. By establishing a clear vision of our future, my efforts resulted in a 20% increase in revenue, directly contributing to our market and ultimately contributing to a substantial cost saving of \$2 million.

I am eager to bring my track record of thoughtful product strategy and complex needs to Google, where I can continue my growth and help you meet and surpass our ambitious product goals. I am looking forward to discussing how my career can align with the innovative work at Google in a face-to-face meet.

#### Best Regards,

Johnatan Wright
