Here's what readers are saying about *Google Drive Docs in 30 Minutes*: "I am so glad this was made. I've been using Google Docs for a while now and have been encouraging my teacher colleagues to do so, as well to facilitate collaboration. It has become my go-to text book to help new users understand quickly. If you're new to Google Drive or Google Documents, this will help you. If you're experienced and want something to help those who come to you with questions, this is a nice tool to help them remember what you show them. I highly recommend it." "I just got a new position that requires record keeping. Having used Google Docs in the past, I decided to update my knowledge. I googled 'Docs for dummies' and this was one of the results. I liked the concept that the title implies: a concise guide that will distill what I need and allow me to complete a task quickly. A clear and concise explanation of how to navigate your way through Google Docs. Excellent introduction to Google Drive. Well-researched, easy to read, nicely organized."
