easy ways to stay fit Anyone looking for at home exercises Anyone who works from home **Pilates: Full-Body Workouts
for a Stronger, Sexier You** Jasmine Evans,2012-07-30 ABOUT THE BOOK Pilates is a kind of exercise that works both the
mind and the body It improves strength without necessarily building bulk It also targets the core midsection and other
muscles that often get neglected by other activities My introduction to Pilates happened at an early age For most of my life I
was considered tall for my age with long legs and big feet My parents thought it would be a good idea to enroll their lanky
toddler in ballet classes I continued those classes and other dance classes for over 14 years In high school I was a lean 5 8
ballet dancer and basketball player I still had big feet but they were complemented by long legs long arms and a long neck
What did I have to complain about My midsection I was relatively slim but I had a pudgy middle In high school where
appearances are everything I wanted to do something about it Fortunately around this time my dance instructor introduced
the class to the Pilates method She said that Pilates is based off of the ballet moves many of us had been doing for most of
our lives She promised that the method would flatten our midsections and make us feel taller My dance instructor made good
on her promise After just 15 20 minutes of Pilates before we started dancing I felt taller Over time I felt slimmer I was
hooked I ve been doing Pilates ever since and I love it I ve taken classes and I ve done several Pilates DVDs Of all the
activities I participate in everything from running to basketball to kickboxing to Zumba Pilates is one that I always come back
to because it is really so effective and important EXCERPT FROM THE BOOK Pull the part of your stomach area that is below
your belly button upwards and inwards as if you are pulling it away from your belt line Keep your rib cage relaxed and
breathe normally You should be able to feel the muscle contracting in your lower abdomen Another essential skill is being
able to activate your pelvic floor Your pelvic floor muscles are at the base of your abdomen They control your bladder and
bowel functions They also stabilize not only the pelvis but also the lower back If you have lower back pain are pregnant or
experience incontinence learning how to control these pelvic floor muscles can really help How do you activate your pelvic
floor Start in neutral spine position Contract the muscles you would use to urinate Breathe as you normally would Once you

can handle activating your TA and your pelvic muscles separately try activating them together Ready for some advanced Pilates moves Great Here are six of the most common moves for experienced Pilates pupils Because sometimes it s easier to see the moves being done rather than reading about them many of the links in this section are to videos Advanced Pilates Exercises

The Crab The Crab requires complete control from your core so it will give you a great ab workout It builds on exercises like the Roll Up but is slightly more advanced Start by sitting up straight Bend your knees almost Indian style and cross your feet at the ankles Bring your knees up to your shoulders and grab your feet with your hands Drop your head and allow your spine to curve as you prepare to roll Breathe in and roll back Control the movement Try not to let your limbs flail around Once you roll to your shoulders let go of your feet and switch your feet around Grab your feet again as you prepare to roll up Breathe out and roll forward Inhale as your head touches the mat Roll back to repeat the move Double Leg Kick This move works the back extensors and the hamstrings primarily but it can be a total body exercise as well Start by lying face down with your head turned to one side and your feet together

The Top Books of the Year Tok Trending Pilates At Home Update The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthraling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Tok Trending Pilates At Home Update : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
