*Grimm Legacies* Jack Zipes,2016-08-02 In *Grimm Legacies* esteemed literary scholar Jack Zipes explores the legacy of the Brothers Grimm in Europe and North America from the nineteenth century to the present Zipes reveals how the Grimms came to play a pivotal and unusual role in the evolution of Western folklore and in the history of the most significant cultural genre in the world the fairy tale Folklorists Jacob and Wilhelm Grimm sought to discover and preserve a rich abundance of stories emanating from an oral tradition and encouraged friends colleagues and strangers to gather and share these tales As a result hundreds of thousands of wonderful folk and fairy tales poured into books throughout Europe and have kept coming Zipes looks at the transformation of the Grimms tales into children s literature the Americanization of the tales the Grimm aspects of contemporary tales and the tales utopian impulses He shows that the Grimms were not the first scholars to turn their attention to folk tales but were vital in expanding readership and setting the high standards for folk tale collecting that continue through the current era Zipes concludes with a look at contemporary adaptations of the tales and raises questions about authenticity target audience and consumerism With erudition and verve *Grimm Legacies* examines the lasting universal influence of two brothers and their collected tales on today s storytelling world [\*McKettrick's Choice\*](#) Linda Lael Miller,2006-06-01 When news arrived that there was trouble back in Texas Holt McKettrick left a mail order bride and his family on the spot And he never looked back He just prayed he d be in time to save the man who had raised him as a son and keep his best friend from the gallows He knew he d encounter rustlers scoundrels and thieves but he d never expected to find

**Judge Nadeau** Nancy Madore,2015-11-07 A TRUE STORY OF SEX AND BETRAYAL AND THE ETHICS THAT MAKE IT OKAY Referencing actual exhibits orders and depositions in real court cases The Ethics of Judge Nadeau provides a bird's eye view into the rationale behind behavior so incredible it will take your breath away This candid and humorous account of Robert Nadeau's antics in and out of the courtroom is as entertaining as it is shocking The book was inspired by the belief that there are some things a lawyer should never do especially if he is a judge because they are either unethical illegal or just plain wrong Here are ten of the most obvious A lawyer should not sleep with his client A lawyer should not disclose information his clients tell him in confidence A lawyer should not use what his clients tell him in confidence against them A lawyer should not secretly advise the opponents in his former client's cases A lawyer should not stalk slander or terrorize former clients In the course of stalking slandering and terrorizing his former clients a lawyer should not engage in the illegal dissemination of unauthorized recordings A lawyer should not offer money to a person who is testifying against him A lawyer should not make two or even three opposing statements under oath A lawyer should not use client funds to pay his law firm's operating expenses A lawyer should not enter his personal psych file as an exhibit without reading it first Not only has Robert Nadeau done all of these things but he actually tries to defend them in his various emails pleadings and depositions Worst of all the judicial system has supported him every step of the way The Publishers Weekly ,2009 **Power of Gods** Nancy Madore,

A GAME OF CAT AND MOUSE SPANNING THOUSANDS OF YEARS IS SUDDENLY COMING TO A HEAD LEGACY OF THE WATCHERS the series Thousands of years ago something came out of the sky that changed the course of human history Testimonies abound of these angels and their hybrid offspring the Nephilim giants These mighty gods quickly rose to power and the ancient world came alive with industry and culture Many consider this period in history to be the dawn of our civilization People who lived as hunters and gatherers for hundreds of thousands of years suddenly began settling in one place cultivating the land and even governing themselves They invented irrigation the wheel protective armor and algebra

They somehow acquired knowledge of our solar system that even modern technology wasn't able to confirm until the 1970s. Most importantly they began to read and write. Yet an undercurrent of terror was spreading like wildfire carrying whispers of djinn, daeva, and demons. The Watchers were supposed to do just that: watch. But humankind proved far too tempting and they fell to earth taking wives for themselves and even having children. But their children grew into unruly giants whose souls didn't ascend like human souls but remained here on this earth. These errant Nephilim souls haunt the earth to this day. They are the djinn, the hidden ones, also known as daeva and demon. They have one purpose: to live. But to live they need bodies. This chain of events has now reached the point where the djinn need more than just our bodies to survive. They must take back control of the earth just as in the days when they ruled as gods.

**POWER OF GODS Vol 2** After the events of the first installment of the Legacy of the Watchers, Nadia Adeire now finds herself inextricably tied to the Raphaelians, that secret society dating back to the Essenes. Her former life and all that she previously believed in has been shattered, and she needs their help to pick up the pieces and start again. As the Legacy of the Watchers continues, Nadia is once again drawn into the mysterious underworld of the hidden ones, but this time there may be even more at stake. Threats of Armageddon loom in the background as Nadia and the Raphaelians attempt to decipher a formula that may hold the key to unconscionable power. In the course of their investigation, they will once again retrace the steps of the hidden ones back to the ancient world, this time to King Solomon and his legendary djinn, and the part they played in the fall of Israel. There they will find hints of what Asmodeous had planned for the not-so-distant future. Meanwhile, thousands of miles away, Lilith is already attempting to finish what Asmodeous started.
