Phrasal verbs: what are they and how are they used?

A

What are phrasal verbs?

Phrasal verbs are verbs that consist of a verb and a particle (a preposition or adverb) or a verb and two particles (an adverb and a preposition, as in **get on with** or **look forward to**). They are identified by their grammar (more about that in Unit 2), but it is probably best to think of them as individual vocabulary items, to be learnt in phrases or chunks. They often – but not always – have a one-word equivalent. For example, you can **come across** a new phrasal verb or you can **encounter** it. You can **pick up** a language or you can **acquire** it. **Come across** and **pick up** sound less literary or formal than **encounter** or **acquire**.

B

Why are phrasal verbs important?

Phrasal verbs are extremely common in English. They are found in a wide variety of contexts. You may have noticed them in songs, for example the Beatles' *I'll get by with a little help from my friends* or *Roll over Beethoven*, Bob Marley's *Get up!*, *stand up* and Red Hot Chili Peppers' *Knock me down*. You find them in film titles such as *The Empire Strikes Back*, *Spirited Away*, *Along Came Polly* or *Cast Away*. They are very frequent in newspaper headlines. Here are just a few examples:

Country's misplaced pride
holds back its democracy

Cricket: England
holds out for a draw

Inquiry points
to a **cover-up**

Turner **adds up** likely cost of pensions

Phrasal verbs are common in less formal English, but you will also hear or see and need to use them in more formal contexts. Register is discussed in more detail in Unit 6.

C

Which phrasal verbs does this book deal with?

This book is based on information gained from the Cambridge International Corpus (a huge computerised database of present-day English) about phrasal verbs and how they are used in contemporary English. It focuses on phrasal verbs more advanced students need to know – but in general does not deal with the verbs in the lower level *English Phrasal Verbs in Use Intermediate*. It includes phrasal nouns such as **standby** or **onset** (see Unit 3) and phrasal adjectives such as **outgoing** or **worn out** (see Unit 4).

D

What can I do to help myself master phrasal verbs?

Try to think positively about them! And, now you are at a more advanced level, try not just to understand them but also to use them in your own speaking and writing.

Keep an eye open for them whenever you are reading anything in English and make a note of any interesting ones you find. Write them down in a complete phrase or a sentence to fix in your mind how they are used.

Be aware that one of the special features of phrasal verbs is that some of them have many different meanings – for example, you can **pick something up** from the floor, you can **pick up** a language or bad habits, the weather can **pick up**, you can **pick up** a bargain, a radio can **pick up** a signal, the economy can **pick up**, you can **pick up** a story where you left it, you can **pick someone up** in your car. Sometimes the meanings are clearly related, some being more literal and some more metaphorical. Unit 7 deals with this in more detail.

In this book we may not present all the meanings of the verbs that are included. You may find others in *English Phrasal Verbs in Use Intermediate* and there are still more in the *Cambridge Phrasal Verbs Dictionary*.

English Phrasal Verbs In Use With Answers Advanced Introduction

In today's digital age, the availability of English Phrasal Verbs In Use With Answers Advanced books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of English Phrasal Verbs In Use With Answers Advanced books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of English Phrasal Verbs In Use With Answers Advanced books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing English Phrasal Verbs In Use With Answers Advanced versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, English Phrasal Verbs In Use With Answers Advanced books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing English Phrasal Verbs In Use With Answers Advanced books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed

and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for English Phrasal Verbs In Use With Answers Advanced books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, English Phrasal Verbs In Use With Answers Advanced books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of English Phrasal Verbs In Use With Answers Advanced books and manuals for download and embark on your journey of knowledge?
