Digital Wisdom Richard Lachman,2026-02-27 Inviting us to an active role in reshaping technology is at the core of *Digital Wisdom* Searching for Agency in the Age of AI The book helps you understand more about the underlying issues of AI social media and data analytics so we all can pick a better path together This book explores how fundamental aspects of today s digital technology intersect with our rights and assumptions about private life individual autonomy and social boundaries This exploration begins with a discussion about what all that data collected about us is for and how companies governments and ourselves as people who also work for those companies and governments might want to alter the dynamic The book looks at our changing sense of privacy and how data is not just recorded but fused correlated shared and acted upon in ways that seem fundamentally different than our laws or principles once assumed It talks about technology s role in making us seem to be more divided than ever affecting our politics our pastimes and even our basic ability to connect with one another Examining ways in which technology is used to change our minds sometimes for our benefit and sometimes to our detriment the book breaks down the increasing use of algorithms that impact our everyday lives so we can build a more ethical practice of digital technology This exploration about our digital future invites us to

instead build a practice of Digital Wisdom It makes an argument for how we can use this wisdom to live more fully in the ways we want with the features of technological advancement we choose It suggests how our educational systems industries and governments could shift to better support Digital Wisdom These ideas are not exhaustive Digital Wisdom is a mindset rather than a simple set of steps to follow Applying this mindset is going to take creativity from all of us but in the end the Digital Wisdom mindset will guide us in taking concrete steps towards a more responsible digital future

THE RISE OF THE PHOENIX: The Unfinished Business of Donald J. Trump Dr. Wayne C. Cooper, 2026-02-05 He was over He was done He was dead Buried by political scandals media attacks cultural war And yet the phoenix Donald Trump arose Resurgent revived renewed more focused stronger sharper hungrier and determined than ever to complete the mission to which God has called him In this new book pastor culture warrior and conservative without apology Dr Wayne C Cooper boldly addresses this astonishing and momentous political event with an analysis of Trump s political resurrection and political future The Rise of the Phoenix is not a partisan screed it is an honest appraisal of the political cultural and spiritual condition of the nation in this critical hour It is a sobering journey through the whirlwind that has been Donald Trump s life in public office to explain the reasons behind Trump s incredible and improbable return to the White House and to address the deeper reasons Trump would not only return but must return The Rise of the Phoenix tells the story of how Donald Trump s resurgence is part of a larger awakening of a people increasingly disillusioned and alarmed at the arrogance and overreach of a corrupt and bloated elite at the extremism and lawlessness of the progressive left and at the seeming unraveling of the constitutional order in America With clarity and passion Dr Cooper explains why Trump s unfinished business is more than just political power it is the revival of the soul of a nation on the brink of moral and ideological collapse Why did Donald Trump win again Why did Donald Trump rise from the dead Why did the people go to Trump Why must Donald Trump complete his unfinished business Where will this movement lead Written in the hope and faith of a patriot who loves this country with all his heart and who prays with all his soul for truth liberty and revival in America The Rise of the Phoenix is a voice of light and hope in the darkness a wake up call in the land of sleepwalkers Whether you love Donald Trump or hate Donald Trump The Rise of the Phoenix will wake you up shake you up and confront you with the reality of the America that is now rising from the ashes
