Unbored Joshua Glenn, Elizabeth Foy Larsen, 2013-07-18 *Unbored* is the book every modern child needs Brilliantly walking the line between cool and constructive it s crammed with activities that are not only fun and doable but that also get kids standing on their own two feet If you re a kid you can Build a tipi or an igloo Learn to knit Take stuff apart and fix it Find out how to be constructively critical Film a stop action movie or edit your own music Do parkour like James Bond Make a little house for a mouse from lollipop sticks Be independent Catch a bus solo or cook yourself lunch Make a fake exhaust for your bike so it sounds like you re revving up a motorcycle Design a board game Go camping or glamping Plan a road trip Get proactive and support the causes you care about Develop your taste and decorate your own room Make a rocket from a coke bottle Play farting games There are gross facts and fascinating stories reports on what stuff is like home schooling working in an office Q As with inspiring grown ups extracts from classic novels lists of useful resources and best ever lists like the top clean rap songs stop motion movies or books about rebellion Just as kids begin to disappear into their screens here is a book that encourages them to use those tech skills to be creative try new things and change the world And it gets parents to join in *Unbored* is fully illustrated easy to use and appealing to young and old girl and boy Parents will be comforted by its anti perfectionist spirit and humour Kids will just think it s brilliant [New Markets for Artists](#) Brainard Carey, 2012-08-01 This book is like a language course that is meant to enhance your ability to communicate your art and creative ideas to the world In the new millennium artists must create new models for exhibitions and sales They must also be aware of new modes of communication from social networking to the latest mobile phone apps How we share visual information is radically shifting and artists can benefit from all of these new tools In this hyper competitive world the latest software and hardware as it applies to creativity and promotion is part of a language you must be conversant in This book works as a course downloadable syllabus available and as a companion volume to Carey s recent book *Making It in the Art World* [The Cancer Conspiracy Code](#) Sinclair Harper, MD, 2025-07-05 Tired of pills that bring more side effects than relief What if two of the most promising tools in the fight against cancer weren t found in a billion dollar lab but on a farm shelf and in a forgotten patent For decades you ve been told the same story cancer is a genetic curse or bad luck and only chemo radiation and surgery offer hope But what if that s not the full truth Here s the twist Some of the most jaw dropping cancer turnarounds in recent years involve Fenbendazole a dog dewormer and Ivermectin a humble anti parasitic Now thanks to emerging studies and real world cases these low cost low toxicity protocols are breaking into the spotlight And they re doing it quietly What They Don t Want You to Know Inside this bold eye opening book you ll discover The real science behind Fenbendazole and Ivermectin stripped of hype loaded with evidence How one man beat stage IV lung cancer using a protocol the mainstream won t mention Dosage logic combinations and how these protocols work alongside not against traditional treatments The cancer fighting synergy between everyday nutrients and overlooked drugs Why certain studies were buried and how to read

between the lines One Trick That Changes Everything It s not about finding a magic bullet It s about combining ingredients the right way and giving your body the tools to heal itself Just like combining lemon balm and valerian enhances sleep pairing Ivermectin with zinc or Fenbendazole with curcumin may unlock healing in ways modern protocols never taught us Why This Book Is Different Based on over 400 peer reviewed studies Backed by real survivor stories Free of medical jargon written for patients caregivers and curious minds Includes sample protocols supplement pairings and detox support strategies Not just theory this is actionable information you can discuss with your doctor today This is more than a book it s a roadmap to reclaiming your power Whether you re newly diagnosed caring for a loved one or just sick of the status quo The Cancer Conspiracy Code will show you a path forward grounded in truth science and hope Grab your copy now before this information disappears again
