The novel inspires girls and young women to deepen their relationships with God as they face real-life issues and solve their problems in God-honoring ways. Then Alex, her boyfriend, starts working at a camp where she barely gets to see him. Now Tessa's dad wants her to watch her half brother every week, and he also has some news that makes her feel sick. On top of that, her mom is wanting to move out of the house she has lived in since the time she was born. No one seems to understand what Tessa is going through, what she is thinking and feeling, and she's not sure anyone will ever understand. With everything changing, no one seems to care what she thinks.
