**Demystifying Scholarly Metrics** Marc W. Vinyard,Jaimie Beth Colvin,2022-02-25 Demystifying Scholarly Metrics gives librarians and faculty the confidence to navigate the maze of scholarly metrics identify quality journals in which to publish and measure the impact of scholarly works Both librarians and professors can be overwhelmed by the bewildering number of scholarly metrics This user friendly book demystifies them helping librarians become familiar with scholarly metrics and giving them the confidence to assist faculty at their institutions It also equips faculty authors with the knowledge to evaluate journals and use metrics to track their scholarly impact Several controversies exist in the scholarly metrics landscape including a disagreement between the proponents of altmetrics and traditional bibliometrics Even more contentious debates are breaking out over predatory journals and open access publishing Authors Mark Vinyard and Jaimie Beth Colvin who successfully launched a faculty publishing initiative explain which aspects of metrics are truly essential to grasp and they place these numbers in context They help readers identify the metrics that are the best fit for their scholarship and give librarians and professors the tools to make smart decisions in this changing scholarly metrics landscape

**Web Indicators for Research Evaluation** Michael Thelwall,2022-05-31 In recent years there has been an increasing demand for research evaluation within universities and other research based organisations In parallel there has been an increasing recognition that traditional citation based indicators are not able to reflect the societal impacts of research and are slow to appear This has led to the creation of new indicators for different types of research impact as well as timelier indicators mainly derived from the Web These indicators have been called altmetrics webometrics or just web metrics This book describes and evaluates a range of web indicators for aspects of societal or scholarly impact discusses the theory and practice of using and evaluating web indicators for research assessment and outlines practical strategies for obtaining many web indicators In addition to describing impact indicators for traditional scholarly outputs such as journal articles and monographs it also covers indicators for videos datasets software and other non standard scholarly outputs The book describes strategies to analyse web indicators for individual publications as well as to compare the impacts of groups of publications The practical part of the book includes descriptions of how to use

the free software Webometric Analyst to gather and analyse web data This book is written for information science undergraduate and Master s students that are learning about alternative indicators or scientometrics as well as Ph D students and other researchers and practitioners using indicators to help assess research impact or to study scholarly communication

*A Court of Frost and Starlight* Sarah J. Maas,2018-05-01 Narrated by Feyre and Rhysand this bridges the events in *A Court of Wings and Ruin* and the upcoming novels in the series New in the 1 New York Times bestselling *Court of Thorns and Roses* series *A Court of Frost and Starlight* is a glimpse into the lives of Feyre and Rhys as they begin to recover from the war that changed their world Feyre Rhysand and their close knit circle of friends are still busy rebuilding the Night Court and the vastly changed world beyond But Winter Solstice is finally near and with it a hard earned reprieve Yet even the festive atmosphere can t keep the shadows of the past from looming As Feyre navigates her first Winter Solstice as High Lady she finds that those dearest to her have more wounds than she anticipated scars that will have a far reaching impact on the future of their Court
