## Spotify Best Returns:

**Return of the Hustle** Eric Sheinkop,2016-03-11 Has a commercial ever brought you to tears Has a movie ever inspired you so much you change your way of life Has the series finale of a television show ever broken your heart Has a video game ever altered your perception of reality If you re like most consumers you answered yes to at least one of those questions Whether you remember it or not the music of that ad film show or game probably played a big role in influencing your emotional response during that experience In fact music is included in media specifically for the purpose of connecting with audiences on a deeper level that visuals alone cannot access A strong music strategy is fundamental to the success of television film brands and video games Because of higher expectations for audiovisual content it will take more than clever animation or a celebrity cameo to connect with consumers in an authentic organic way By providing audiences with a genuine music experience whether with an exclusive song through an artist partnership or by featuring new music from an emerging band you can build a bond that extends far beyond product experience Music touches us emotionally in a way that words seldom do We feel it we remember it In Return of The Hustle a leading music and marketing industry insider discusses the diverse audio touchpoints for four key industries and shows how marketers storytellers and advertisers can use music to effectively guide audiences along the customer journey from passive consumers to brand advocates Return of The Hustle provides readers with a blueprint for music strategy that professionals at any level in any industry can use to attract consumers immerse them into the content and extend relationships between them and the brand long after the commercial ends or the credits roll With detailed case studies exhaustive interviews and thorough research Return of the Hustle gives readers the playbook to use the marketing power of music to drive business results [The Music Industry in the Digital Age](#) Richard Frenneaux,2025-08-07 The Music Industry in the Digital Age examines at the major shifts brought about by digital technology and platforms in the music industry Frenneaux looks at how digital production tools social media and streaming services have impacted music distribution creation and consumption Along with addressing the challenges of sustaining employment in a fractured attention economy the book examines the democratization of music production and the ascent of independent artists It looks at how record companies producers and A R s changing roles in a data driven environment as well as how algorithmic curation affects genre boundaries and music discovery Frenneaux explores the demands of continuous engagement and the complexity of artist fan relationships in the social media age The work also tackles important concerns such mental health in the music industry and how platforms like TikTok affect virality and marketing for music Combining knowledge from academics industry professionals and artists the book presents a complete picture of both opportunities and challenges in the modern music industry Frenneaux balances artistic integrity with commercial viability in an always changing digital environment by exploring subjects including streaming economics DIY ethics and the blurring of mainstream and independent production so offering a nuanced view of how digital disruption continues to shape the future of
