**Longzhu Liu**

## **0073524980 Law:**

**Demystifying the Law** Daniel A. Bronstein, 1990-08-27 *Demystifying the Law: An Introduction for Professionals* explains unfamiliar legal concepts in interesting contexts thus helping you to understand and remember them. It illustrates legal principles using simple examples that anyone can understand. No single book can turn you into a lawyer but this one can help you decide when you need a lawyer's assistance and help you ask intelligent questions of your lawyer. It can even help keep you out of situations requiring a lawyer. Part I tells you where our laws come from and how they are applied in the court system. Part II explains the role in law of the executive branch of government including quasi legislative and quasi judicial activities, judicial review and technicalities and terms. Part III covers several specific legal issues including civil procedure, criminal law, concepts, burden of proof, the reasonable person concept, breach of duty, personal and product liability and malpractice. It also gives brief introductions to contracts, insurance law, workers compensation, property law, environmental law, water law and other legal matters. Every professional should own this valuable resource. Ideal for both personal and business use. Appendices include how to find legal citations and extracts from the federal rules of civil procedure.

**Business Law** L. Thomas Bowers, Arlen W. Langvardt, Jane P. Mallor, A. James Barnes, 2012-01-05 *Mallor Barnes Bowers and Langvardt's Business Law 15e* is appropriate for the two-term business law course. The cases in the 15th edition are excerpted and edited by the authors. The syntax is not altered therefore retains the language of the courts. As in recent previous editions, the 15th edition includes a mix of actual AND hypothetical cases. This text is our most research-based Business Law text.

**Law 101** Jay M. Feinman, 2006-08-01 The best-selling first edition of *Law 101* provided readers with a vividly written and indispensable portrait of our nation's legal system. Now in this revised edition, Jay M. Feinman offers an updated survey of American law spiced with new anecdotes and cases and incorporating fresh material on topics ranging from the President's war powers to intellectual property, standard form contracts and eminent domain. Here is an exceptionally clear introduction to law covering the main subjects found in the first year of law school giving us a basic understanding of how it all works. Readers are introduced to every aspect of the legal system from constitutional law and the litigation process to tort law, contract law, property law and criminal law. Feinman illuminates each discussion with many intriguing, outrageous and infamous cases from the scalding coffee case that cost McDonald's half a million dollars to the sensational murder trial in Victorian London that led to the legal definition of insanity to the epochal decision in *Marbury v. Madison* that gave the Supreme Court the power to declare state and federal laws unconstitutional. He broadens the reader's legal vocabulary clarifying the meaning of everything from due process and equal protection in constitutional law to the distinction between murder and manslaughter in criminal law. Perhaps most important, we learn that though the law is voluminous and complex, it is accessible to all. Everyone who wants a better grasp of current legal issues from students contemplating law school to journalists covering the legislature or the courts to fans of Court TV will find here a wonderful

source of information a complete clear and colorful map of the American legal system An entertaining and informative introduction to the law For journalists those interested in the law and fans of television law dramas this book should be required reading Library Journal *Nolo's Encyclopedia of Everyday Law* The Editors of Nolo,2023-04-05 Everything you ever wanted to know about the law but couldn't afford to ask Written by Nolo's expert team of attorneys this book answers more than 1 000 of the most frequently asked questions about everyday legal issues including Credit debt Privacy rights Workplace rights Child custody support Wills trusts Elder care Buying a house Bankruptcy Divorce Noisy neighbors Small claims court Home businesses Domestic violence Name changes Adoption Searches seizures Traffic accidents Tenant rights Inventions Criminal law The 12th edition is completely updated to provide current and accurate information on all the legal subjects covered in the book It also has a helpful glossary of legal terms and an appendix on how to do your own legal research Nolo editors each focus on specific areas of the law such as estate planning family law employment law real estate criminal law and business They specialize in writing and editing plain English do it yourself legal articles and books for consumers *Law for The 99%* Longzhu Liu,2013-09-05 **An Introduction to the Law** Charles Gordon Post,1963 Popular account of American legal procedure court practice terminology etc *Anatomy of the law* Lon Luvois Fuller,1976

**The Study of Law** Katherine A. Currier,Thomas E. Eimermann,2009 In this comprehensive introduction to law authors Currier and Eimermann use the highly effective critical thinking approach encouraging students to engage with the material through hypothetical problems examples and thought provoking questions Covering all of the key concepts presented in a typical Introduction to Law course *The Study of Law A Critical thinking Approach Second Edition* features an overview of key concepts in American law designed for business criminal justice political science and general education courses a critical thinking approach that involves students in the materials through interactive pedagogy such as hypotheticals examples and well designed questions a well written text with excerpts from illustrative cases a logical two part organization Part I The Legal System introduces students To The sources and classifications of law The structure of the court system and litigation Part II Basic Principles of American Law introduces students to legal principles that form the basis of constitutional law torts contracts property business family and criminal law coverage of legal reasoning case briefing and statutory interpretation appendices including the U S Constitution Fundamentals of Good Writing and NetNotes Updated throughout The Second Edition offers an increased focus on the role and importance of the legal system in the lives of all citizens more coverage of constitutional law with emphasis on federalism and First Amendment issues new and additional case excerpts an increased emphasis on substantive and theoretical rather than procedural issues Specifically designed for introductory law courses in business criminal justice political science and general education *The Study of Law A Critical Thinking Approach Second Edition* offers the pedagogical richness that fuels class discussion and enriches your teaching *Law Made Simple* Colin Frank Padfield,1985 **The Law of Arrests in Both Civil and Criminal Cases** ATTORNEY AT LAW.,2018-04-22 The 18th

century was a wealth of knowledge exploration and rapidly growing technology and expanding record keeping made possible by advances in the printing press In its determination to preserve the century of revolution Gale initiated a revolution of its own digitization of epic proportions to preserve these invaluable works in the largest archive of its kind Now for the first time these high quality digital copies of original 18th century manuscripts are available in print making them highly accessible to libraries undergraduate students and independent scholars This collection reveals the history of English common law and Empire law in a vastly changing world of British expansion Dominating the legal field is the Commentaries of the Law of England by Sir William Blackstone which first appeared in 1765 Reference works such as almanacs and catalogues continue to educate us by revealing the day to day workings of society The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to insure edition identification Harvard University Law Library N010253 London In the Savoy printed by Henry Lintot assignee of Edw Sayer Esq for S Birt and W Sandby 1742 2 vi 264 32 p 12
