Culturally Competent Kids Samantha Sweeney, 2025-05-06 A book for parents that provides a science based framework for helping to raise CULTURALLY COMPETENT KIDS This book is for the parent who knows that culture is important It is for the parent who wants to teach their child about the world around them but doesn t know where to start Let this book be your starting point and your guide The goal of Culturally Competent Kids is to help you raise your children to become adults who respect and celebrate differences rather than simply tolerating them Research shows that while biases

begin to develop at age 6 their origins begin much earlier Unfortunately diversity and culture are treated as though they are grownup concepts as if children don't recognize that diversity is all around them Human beings naturally categorize and your kids will develop preferences prejudices and opinions about people who are different from them Therefore it is important for parents to take an active role in helping their children see understand and develop their understanding of people and cultures that are different As Dr Sweeney says We don't have to all be friends or even like each other to treat each other with respect This book provides a science based framework with ideas and options to explore as you embark on this cultural competence journey with your kids and also with yourself

100 Ways to Get Peace Ashok Gulla,2022-07-28

Everyone likes to have peace of mind in their life They will be happy to forget their troubles problems and worries and enjoy a few moments of inner calmness and freedom from obsessing thoughts But people wish peace along with all other things which take away peace It is usual to feel panic about any failure sit on the judgments of other people leave no opportunity to criticize others hold on to past grievances and remain always competitive by outwitting others People feel pride and respect by holding all that which keep the mind busy stressed and not be able to create a loving and sympathetic attitude about others In addition to these thoughts people cherish peace of mind This book reminds us about the large number of issues on a daily basis that create stress and deliberates on activities emotions thoughts and aspirations that need restraint so as to create an environment of peace

The Art of Longevity Rod Perez,2024-05-14

There is often a disconnect between the raw spirit of our younger selves when energy and enthusiasm were inexhaustible and our bodies rarely let us down and the limitations and demands we increasingly face over time Our vitality can fade as we stress over career family financial security and just staying mentally afloat We allow poor nutrition and bad habits to take root while our frantic mind takes the wheel Worst of all we neglect our fire the things that we love and give our lives meaning Do we wave the white flag Or do we bring oxygen back to that flame If we've managed to keep the fire flickering how do we stoke it into an inferno This book will provide you with all the tools to bring you back into equilibrium with your whole self and return you to your passions fit and focussed living with joy and purpose through every season of life You'll discover the life changing benefits of Routine discipline mindset motivation Mobility flexibility core strength including a photographic step by step guide through a variety of essential movements and a 12 week exercise program to kickstart your longevity journey Nutrition hydration sleep Breathwork meditation Rodrigo Perez is a professional coach and founder of Holistic Pro Health Performance who has worked with some of the world's most successful athletes The Art of Longevity draws on everything he's learned along his own journey for one aim keeping people in the water on the trail in the mountains wherever their inspiration lives
