Cases on Social Justice in China and Perspectives on Chinese Brands Elhaoussine, Youssef,Wang, Lulu,2023-01-23 As a rising superpower and economy China and the Chinese society have attracted the attention of the world However because of the language and cultural barrier it is difficult for foreign academics and the foreign public to grasp what is happening within Chinese society This is particularly the case if a foreign audience wishes to understand the Chinese public and how social justice plays out in China Cases on Social Justice in China and Perspectives on Chinese Brands proposes an objective view of the effect that social justice and online public debates had on brands by describing and reporting the real situation in China where brands faced a public outcry after a controversial event and by considering how the brands were affected Covering key topics such as brand activity social media boycotts vulgar marketing and salary disputes this reference work is ideal for government officials policymakers researchers scholars academicians practitioners instructors and students

De Gruyter Handbook of Media Technology and Innovation Richard A. Gershon,2025-01-27 The De Gruyter Handbook of Media Technology and Innovation brings together scholars from around the world to provide key insights on emerging technology trends and issues related to the fields of media management information technology product design planning and digital lifestyle This handbook is about the power of good ideas It s about those business enterprises government planners educators and entrepreneurs that have harnessed the power of good ideas to become real difference makers in the world we live in Keeping pace with fast paced technology change requires ongoing assessment and reassessment of the media management and technology fields to address important questions and emerging issues A major premise of this book is that given the complex and ever changing state of media technology we have a responsibility and obligation to engage in a broader interdisciplinary dialogue whose purpose is to understand the current and future state of media technology and innovation as well as to appreciate the social impact that such technologies have on business education and the general public Forecasting the future as any weatherperson or stock broker can tell you is a risky business But in this book we use the phrase the creative next step as a way to talk about the future and what we can expect in terms of the opportunities and challenges going forward
