The introduction and diffusion of international subscription video on demand SVOD services in the 2010s represented the most significant disruption of established national broadcast and pay TV ecologies in their long history Using an in depth Australian case study this book narrates this profound period of proliferation It also considers how incumbent commercial networks pay TV providers and public service broadcasters developed into online TV providers albeit in assorted ways In so doing it conceives of the early impact of online TV 2015 2020 more broadly and acknowledges the role of both new and old TV players The industry wide shift towards online TV over this period also impacted existing television drama production cultures SVOD services provided a fruitful avenue for the distribution of existing archives and slowly began to support the production of new Australian content with an increasingly global focus However the formal arrival of online TV certainly did not usher in the boom in original local television drama many anticipated Pivoting and Producing for Online TV Australia s Transition advances the macro analysis of television production strategies This book will be useful to students and researchers interested in media film and cultural studies      Anthropology and Beauty Stephanie Bunn,2018-01-17

Organised around the theme of beauty this innovative collection offers insight into the development of anthropological thinking on art aesthetics and creativity in recent years The volume incorporates current work on perception and generative processes and seeks to move beyond a purely aesthetic and relativist stance The chapters invite readers to consider how people sense and seek out beauty whether through acts of human creativity and production through sensory experience of sound light or touch or experiencing architecture visiting heritage sites or ancient buildings experiencing the environment through places of outstanding natural beauty or through cooperative action machine engineering or designing for the future
