Discipleship for Every Stage of Life
Chris A. Kiesling, 2024-06-18 The field of life span development in psychology has much to offer those engaged in making disciples and Chris Kiesling brings those insights to bear in this volume He appropriates the most useful observations from this discipline in light of biblical teaching Drawing on more than twenty five years of experience teaching faith development topics in academic and local church settings Kiesling assembles a toolkit that will help those in ministry think comprehensively about discipleship at every stage of life Taking into account physical cognitive emotional and social aspects of human development from infancy through older adulthood Kiesling guides readers in making practical use of these insights in churches and educational settings Pastors ministry leaders and educators will benefit from this treatment which brings cutting edge findings from the social sciences into dialogue with Scripture theology and practical ministry

Post Traumatic Growth: My Life Walk Coming into Fruition, 2025-10-06 Post Traumatic Growth My Life Walk Coming into Fruition is both a memoir and a professional manifesto It weaves together lived experience clinical wisdom and academic rigor to advocate for trauma informed culturally competent and ethically grounded approaches to healing and career

development especially for veterans The document is a call to action for individuals families clinicians and organizations to recognize the complexity of trauma the possibility of growth and the power of connection compassion and purpose The author undertakes a deep self evaluation examining early life experiences and the ingrained fight or flight responses noting the lack of productive outlets beyond work The influence of transgenerational trauma on emotional dysregulation isolation withdrawal dissociation and emotional numbness is explored The text discusses how these issues amplify familial conflicts and psychosocial problems while acknowledging the family s strength in verbalizing thoughts even when activities were harmful The progression of thought productivity to panic attacks and subsequent career limitations is also addressed This loss served as a catalyst for the author s participation in Warrior PATHH a program designed to facilitate post traumatic growth The narrative delves into the concept of a new normal following trauma advocating for a neutral zone to develop a path forward The text highlights the dangers of hyperactive adrenaline dopamine and serotonin levels leading to hypomania and the development of suicidal ideation especially with chronic and complex trauma The urgency of this book s creation is underscored by the author s need to be seen and heard not only for personal healing but also for the benefit of family culture and country A primary goal identified is the re establishment of bonds and overcoming the victim mentality associated with abandonment disorganized attachment and enmeshment fueled by alcoholism and addiction The author reflects on how community and athletics provided temporary coping mechanisms during teenage years but ultimately perpetuated feelings of indifference and insecurity The profound impact of military service as a United States Marine and a Purple Heart Recipient is detailed with the author expressing deep gratitude and pride in this accomplishment The text also acknowledges neurodivergence and ADHD explaining the non linear narrative style This book presents an autoethnographic case study exploring the author s journey through chronic and complex trauma from its origins in childhood to the pursuit of post traumatic growth Drawing on personal experiences psychological theories and military service the narrative examines the interplay of socioeconomic status cultural influences and individual agency in shaping career development and overall well being The text advocates for a holistic approach to healing emphasizing self care relational connection and the transformative power of professional training and self compassion The journey chronicled in My Life Walk Coming into Fruition culminates not in a definitive end but in a profound understanding of an ongoing process Dr Christopher O Connor s narrative a testament to resilience and self discovery illuminates the intricate dance between past traumas and future aspirations Having traversed the labyrinth of childhood wounds the author emerges not unscathed but empowered by the very struggles that once threatened to consume him Our connection to the world around us is made by those we interact with As a result our knowledge and skill set only expands by building upon the foundation that is laid before us **The Life Span** Patricia C.
