**Media Imperialism** Oliver Boyd-Barrett, Tanner Mirrlees, 2019-08-19 Media Imperialism Continuity and Change advances applied theoretical research on 21st century media imperialism The volume includes established and emerging researchers in international communications who examine the geopolitical economic technological and cultural dimensions of 21st century media imperialism The volume highlights and challenges how news entertainment and social media uphold unequal power relations in the world Written in an accessible style this volume marries conceptual theoretical sophistication and concrete illustration with rich case studies and global examples Chapters cover the complete media spectrum from social media to Hollywood to news and national propaganda in national and transnational analyses Readers will find discussions that range from soft power and China to the USA s empire of the internet to the rise of Chindia in a post American media world The volume is essential reading for upper level undergraduate postgraduate and research communities across a wide range disciplines in the social science and the humanities

**Copyright's Excess** Glynn Lunney, 2018-04-12 For more than two hundred years copyright in the United States has rested on a simple premise more copyright will lead to more money for copyright owners and more money will lead to more original works of authorship In this important illuminating book Glynn Lunney tests that premise by tracking the rise and fall of the sound recording copyright from 1961 2015 along with the associated rise and fall in sales of recorded music Far from supporting copyright s fundamental premise the empirical evidence finds the exact opposite relationship more revenue led to fewer and lower quality hit songs Lunney s breakthrough research shows that what copyright does is vastly increase the earnings of our most popular artists and songs which net result means fewer hit songs This book should be read by anyone interested in how copyright operates in the real world

You Will Own Nothing Carol Roth, 2023-07-18 AN INSTANT NEW YORK TIMES BESTSELLER A NEXT BIG IDEA CLUB MUST READ The bestselling author and entrepreneur investigates what would happen if a new financial world order took hold one in which global elites own everything and you own nothing and yet you are somehow happy When Carol Roth first heard that one of the World Economic Forum s predictions for 2030 was You will own nothing and be happy she thought it was an outlandish fantasy Then she researched it What she found was that a number of businesses governments and global elites share a vision of a future that sounds utopian Everyone will have everything they need and no one will own anything From declines in home and vehicle ownership to global inflation and government spending many of the trends of modern life reveal that a new world that is emerging one in which Western citizens by choice or by circumstance increasingly do not own possessions or accumulate wealth It s the perfect economic environment for the rich and powerful to solidify their positions and prevent anyone else from getting ahead In *You Will Own Nothing* Roth reveals how the agendas of Wall Street world governments international organizations socialist activists and multinational corporations like Blackrock all work together to reduce the power of the dollar and prevent millions of Americans from taking control of their wealth She shows why owning fewer assets makes you poorer and less free This book is essential guide to protecting your hard earned wealth for the coming generations Words. Sounds. Images Amit Khanna, 2019-12-31 Ambitious and encyclopaedic in scope this is a first of its kind book that presents the history of media and entertainment in India from the times of the Indus Valley Civilization right up to the twenty first century The book starts with an examination of the origins looking at a wide array of aspects such as the state of entertainment during Harappan and Vedic times including details from the Natyashastra the early drama music and dance of Kalidasa the development of ragas musical instruments and early folk traditions the genesis of classical dance forms developments through the ages including in the Mughal period in the southern kingdoms in the north east and under the Marathas and the British Independence onwards the book takes a decade wise look at the evolution of newspapers cinema music television dance theatre and radio The author himself a film producer director and lyricist who has worked in the entertainment industry all his life brings his unique perspective to bear on the subject This pioneering work is a must read not just for the students and practitioners of the arts and media but also for their lay consumers *Ask Your Developer* Jeff Lawson, 2021-01-12 Jeff Lawson developer turned CEO of Twilio one of Bloomberg Businessweek s Top 50 Companies to Watch in 2021 creates a new playbook for unleashing the full potential of software developers in any organization showing how to help management utilize this coveted and valuable workforce to enable growth solve a wide range of business problems and drive digital transformation From banking and retail to insurance and finance every industry is turning digital and every company needs the best software to win the hearts and minds of customers The landscape has shifted from the classic build vs buy question to one of build vs die Companies have to get this right to survive But how do they make this

transition Software developers are sought after highly paid and desperately needed to compete in the modern digital economy Yet most companies treat them like digital factory workers without really understanding how to unleash their full potential Lawson argues that developers are the creative workforce who can solve major business problems and create hit products for customers not just grind through rote tasks From Google and Amazon to one person online software companies companies that bring software developers in as partners are winning Lawson shows how leaders who build industry changing software products consistently do three things well First they understand why software developers matter more than ever Second they understand developers and know how to motivate them And third they invest in their developers success As a software developer and public company CEO Lawson uses his unique position to bridge the language and tools executives use with the unique culture of high performing creative software developers Ask Your Developer is a toolkit to help business leaders product managers technical leaders software developers and executives achieve their common goal building great digital products and experiences How to compete in the digital economy In short Ask Your Developer
