**Immortality** Milan Kundera,1999-10-20 Milan Kundera's sixth novel springs from a casual gesture of a woman to her swimming instructor a gesture that creates a character in the mind of a writer named Kundera Like Flaubert's Emma or Tolstoy's Anna Kundera's Agnes becomes an object of fascination of indefinable longing From that character springs a novel a gesture of the imagination that both embodies and articulates Milan Kundera's supreme mastery of the novel and its purpose to explore thoroughly the great themes of existence Immortality Milan Kundera,2023-04-25 New York Times Bestseller Inspired Kundera's most brilliantly imagined novel A book that entrances beguiles and charms us from first page to last Cleveland Plain Dealer Milan Kundera's sixth novel springs from a casual gesture of a woman to her swimming instructor a gesture that creates a character in the mind of a writer named Kundera Like Flaubert's Emma or Tolstoy's Anna Kundera's Agnes becomes an object of fascination of indefinable longing From that character springs a novel a gesture of the imagination that both embodies and articulates Milan Kundera's supreme mastery of the novel and its purpose to explore thoroughly the great themes of existence *Milan Kundera's Fiction* Karen von Kunes,2019-05-20 In Milan Kundera's Fiction A Critical Approach to Existential Betrayals Karen von Kunes traces Kundera's literary aspirations to a single episode in Czechoslovakia in the Stalinist era This moment attracted international attention when a 1950 police report was released in 2008 Reporters rushed to judgment accusing Kundera of denouncing Miroslav Dvorček to the police resulting in Dvorček's immediate arrest and sentencing to hard labor von Kunes debunks this shocking charge in a systematic way and argues that Kundera reported a suitcase not a man She ties Kundera's dominant themes of sex betrayal and political denouncement to the suitcase a fatal instrument that can lead to paradoxes and unforeseen and catastrophic coincidences for his characters

Discussion Notes on Milan Kundera's Immortality Brian Elkner,1994 **Finding Meaning in Life, at Midlife and Beyond** David Guttman,2008-09-30 Having been mentored by Viktor E Frankl the founder of logotherapy Emeritus Professor David Guttman authored this book so general readers may understand this approach to finding meaning in life at the point when most of us begin deeply wondering over that question at midlife and beyond Especially in this day and age of multiple demands on our time and seemingly non stop obligations we too often find that it is only when the dust settles after a work day or work week or even after retirement when we begin to wonder What is the meaning of life The purpose This book is a new millennium venture into those questions and their answers using logotherapy written by a sage understudy who recalls Frankl with his logotherapy as the epitome of his theory even at 80 years old wise and witty exuding an energy enthusiasm and youthful spirit that belied his years by decades Aging does not diminish our power our energy and our quest for life but reshapes it with new understandings goals and needs But says Guttman we live in a technical and machine based world now in which there is a danger of losing our souls Here readers find a new creative perspective on aging and a fresh spiritual outlook This book will be of interest not only to general readers especially those at midlife and beyond but also to

their families friends and students or professionals in the helping professions This unique work provides knowledge to find meaning in life derived from the fields of philosophy psychology religion and gerontology with case illustrations and vignettes to give readers both intellectual pleasure and practical guidance *A Different Plain* Ladette Randolph,2004-01-01 O
