Netflix Review Returns:

The Willoughbys Return Lois Lowry, 2020 Thirty years after their disappearance the previously frozen Willoughbys have thawed out and returned from the Alps to the consternation of their children and grandchildren Hopeful Vision Helen Piper, 2025-05-31 This monograph recuperates the concept of entertainment as a legitimate basis for small screen criticism It suggests that critical approaches to television might treat the text as an object of potential which actively engages and provides for aesthetic experience through entertainment Aesthetic experience is characterised by emotion and this study shows how the textual production of specifically forward feelings such as anticipation aspiration fear or dread may be mobilised and made sense of shaping our sense of the future and its objects of hope The argument is demonstrated by case studies arranged from light to dark in tone as varied as Eurovision and Succession The Repair Shop and The Leftovers showing how these provide potentially significant affecting encounters that are hopeful in varying degrees and guises Hope is adopted both as a theme of analysis and as a critical strategy of interpretation which privileges entertainment efficacy and thus moves towards a more viewer centric appreciation of cultural value *ReFocus: The Films of John Waters* Brian Brems, Michelle E. Moore, 2025-09-30 The first collected volume of work on cult film director and icon John Waters which offers a comprehensive study of his work as an important filmmaker and cultural force Includes chapters covering important themes in Waters's work stylistic tendencies his relationship to the art world and interviews reflecting on the impact of Waters's films on his collaborators and audience Also features a new retrospective interview with Waters in which he reflects on his career and films Female Detectives on Post-Network Television Alison Wielgus, 2025-12-11 Building on contemporary scholarship on post network television feminism melodrama and crime television Alison Wielgus analyzes post network female detective television through the lenses of genre industry and discourses of police abolition to argue for a radicalization of crime television that incorporates discourses of restorative justice and a feminist ethics of care Introduction to Information Systems R. Kelly Rainer, Brad Prince, Cristobal Sanchez-Rodriguez, Ingrid Spletstoeser-Hogeterp, 2025-12-22 As digital transformation reshapes the business landscape today's students need to understand how information systems drive organizational success across all industries Introduction to Information Systems 7th Canadian Edition delivers this essential knowledge through rich Canadian content global perspectives and active learning approaches that prepare students for real world challenges This comprehensive text demonstrates how IT serves as the backbone of modern organizations whether students are pursuing careers in accounting finance marketing human resources operations management or MIS Students explore how information systems enable companies to increase profitability enhance customer service streamline operations and create competitive advantage in today's data driven economy Indigenous perspectives highlight the unique characteristics of Indigenous businesses and their use of technology enriching students understanding of diverse approaches to organizational success Strategic Database Marketing 4e: The
