

Business Plan

The Business Plan of the Victorian Pharmacy Authority (the Authority) details the activities the Authority will undertake to achieve its Strategic Plan. The plan builds on the Goals and Strategic Priorities set by the Authority and is informed by the Authority's Statement of Expectations from the Minister for Health.

It provides a summary of core business activities and priorities to be met to achieve the Authority's regulatory goals, initiatives aimed at improving regulatory performance and responses to significant changes and challenges in the pharmacy environment.

Our mission and objectives

The Authority aspires to achieve a safe pharmacy system that is responsive to community needs and interests.

The Authority is responsible for administration of the *Pharmacy Regulation Act 2010*. Specific responsibilities include:

- licensing a person to carry on a pharmacy business or a pharmacy department
- registering the premises of a pharmacy business, pharmacy department or pharmacy depot
- issuing standards in relation to the operation of pharmacies, pharmacy businesses, pharmacy departments and pharmacy depots
- advising the Minister on any matters relating to its functions and when so requested by the Minister, to give to the Minister any information reasonably required
- keeping a public register
- any other activities conferred on the Authority by legislation

Underpinning all that we do is to act in the public interest to make the pharmacy system safe.

The Authority has set the following goals which form the basis of its Strategic Priorities:

- Goal 1: A safe pharmacy system that responds to community needs
- Goal 2: Informed stakeholders
- Goal 3: A sustainable, responsive and performance-focused Authority
- Goal 4: National consistency of pharmacy regulation

The Authority's Strategic Plan was revised in April 2018 and is available at www.pharmacy.vic.gov.au
