Think Mac My mind was quickly cataloging our conversation from the previous night My mental rolodex spinning trying to recall any remark that may have come out the wrong way or that could have been potentially misunderstood that would cause her to act like this When I m in the doghouse I usually know why but this morning was different Stumped I peeked into the bathroom where Angry Wife brushed her teeth with a venomous expression Good morning Merry Sunshine I said with a big toothy grin that I hoped conveyed I m not at all mad at you but I can see that you are mighty put out with me Why are you so mad I ventured Last night I needed your help and you wouldn t help me she said Was one of the kids throwing up I asked knowing that I ve slept through such episodes before Not to say I m a heavy sleeper but once a car crashed into a tree in the front yard the police came light sirens and all I didn t stir No she said Were you up during the night I asked still clueless No in my dream she explained I was being chased off a cliff I was hanging there I was scared and needed you I called to you for help and you said in your ugliest tone of voice that wouldn t help me Then you walked away just when I needed you most Wait a minute You woke up mad at me because of something you dreamed I asked You wouldn t help me You were mean and ugly Oh I said dumbstruck Let me get this straight you are not mad at me because of anything I actually did You are mad at me because of something I did in your dream Honestly I didn t know whether to feel relieved or not nor did I know how to respond On the one hand I could have chosen to stand my ground I had a pretty good case I was sure I could convincingly argue that while she had every right to be furious at me in dream world I didn t actually do anything wrong I mean in awake world so you can t carry a grudge over from one world to the other Right Or I could just apologize It was obvious she was upset and needed reassurance that I wasn t the bad guy of her nightmare I m sorry I said feeling like a tremendous weenie for apologizing for something she dreamed I did But what the heck isn t that what being married is all about She apologized too and gave me a hug In bed the next night I gave her a little pat as she started to doze off I love you she said I love you too I said as I looked at her She is the woman of my dreams I thought So what if I m not the man of her dreams in her dreams I m pretty sure I am in real life *Tire Patch Cookies Are Good for the Soul* Janet McCanless,2013-10 I don t think there is any sound more wonderful than the sound of laughter and humor to me is what makes the world spin As I said in my last compilation I tried being downcast and depressed once it didn t work for me and if we try hard enough we can find humor in any situation Once during one of my humor presentations I tried some self deprecating humor and found it quite to my liking Not that there isn t anything funny about me anyway I just have this quirky way of looking at things and when you laugh the world laughs with you when you cry you only have to blow your nose Besides I have funny relatives So here we are warts and all the funny stuff the touching stuff the weird and stupid stuff it all makes for a funny read trust me on this I hope you enjoy this compilation a lot of it stories are from my own experiences and acquaintances and not only that most of it is true If you do enjoy it tell somebody else and maybe they ll buy the book too Whatever you do NEVER lend this book to anyone I make no money off of loaned books [Encyclopedia of Humor](#) Joey Adams,2004-01-01 **Using The Power Of Humor** Forrest
